Land HO! Newly updated location for our July Meeting!
Cisco's Mexican Restaurant 1712 E Avenida De Los Arboles, Thousand Oaks, CA 91362
Meeting time 200pm until 500pm - ish.

Can it be? We are in our second month of Summer as we know it! Before long, our LCPH Club will be looking at being **25 years old come November 2019!** What a great distinction amongst all the national clubs!

How would you like to celebrate? New hats, shirts, pins, nametags....you name it, it's all coming down the pike for you to pick and choose. Be ready this coming meeting to confirm your choices and \$\$\$! Meeting of the Minds convention in Key West - here we come - October can't arrive to soon!

Our third summer month's meeting will be a "cue the music" Splish Splash, we're taking a big Splashat Mickey's back yard pool. Build up your summer tan and remember to bring the sunscreen.... Those Cool sunglasses will make you look cool, too. Who will you bring to the party and meeting? We love new parrot head members!

The Magic Yarn Project - now has their own official Southern California Chapter. Many of our members, led by Chris Graham and Mickey Wilk, are putting in some hours whipping out some great work, with sparkles, bedazzling flowers, glueing and braiding love into each creation for all those little cancer fighters! I can tell my wife wants one for her very own!

Our Biggest fundraiser is quickly moving into sight! Begin by letting your invitees to **SAVE THE DATE - September 14 Saturday**. Of course, the more, the merrier! Let's take the steps to work on making this years 2019 event the biggest ever! Items that will contribute to the event are building up fast and you are the center and the success for it all.

Gotta go, have a great July 4th independence day holiday, be safe, be brave, we are blessed to live in the good ol' United States of America!

Left Coast Parrothead Club Pictures Coming on Shutterfly

Great news. A Shutterfly photo site has been set up with photos that chronical the clubs adventures from 2002 through 2014. I am in the process of downloading approximately 40 or more albums from great activities as the Doo Dah Parade, chili cook-offs, and various parties and events during that time period. Once completed all active, paid club members will be given the site login and password. At this point it will be open to club members only.

Once these photo albums are downloaded photos from activities from 2014 to the present will be added so we will have 17 of our 25 years documented in photos.

Part three of the project will entail going through photos shot on film and added digitally on discs which should take us back a few more years.

We hope to have the first set of photos completed and ready for viewing sometime this month with the second set ready sometime in August and the others prior to our anniversary.

Anyone who may have old photos of club activities, especially old ones, you want to share please let me know so we can add them to the site.

There are loads of pictures, loads of fun and loads of memories. I am positive you will all enjoy them

Club Hats

Club Hats are also available with the club 25 year logo. Contact Chris to order size and style
