## Golf & Gala

The Love, Chloe Gold Ribbon Golf & Gala is our biggest event of the year. The event spans two weekends and is full of fun while honoring Kansas kids who are in the midst of a childhood cancer diagnosis and remembering those who've lost their lives because of it.

Your **sponsorship** helps Love, Chloe raise necessary funding through our live and silent auctions and online bidding. This money provides immediate assistance after a diagnosis including: financial assistance grants, Warrior Wagons, Monkey In My Chair kits, family support and much more!

Your **sponsorship** is appreciated and needed now more than ever. Thank you for your support of the Love, Chloe Foundation!

### About Love, Chloe

The Love, Chloe Foundation was founded in 2008 in memory of 7-year-old Chloe Feyerherm. She battled DIPG, a pediatric brain cancer, for 11-months before she passed away in October 2007. The organization has continued to grow throughout the years and expand support to children in Kansas as well as all across the United States.

Childhood cancer receives little funding for research and organizations like Love, Chloe have come together to make a bigger impact with research and working to find better and less toxic treatments for children.
