autumn 2025

If you're new to ChristChurch — or want to dig a bit deeper — Course Hubs are for you. Each term we explore a teaching series together to discover more about life and faith.

This term over nine weeks, we will explore the 'Big Picture' of the Bible and try to see how it all fits together.

Life raises lots of questions all the time. How can we make sense of our world, our experiences? Where is life going? Can we ever hope to find answers?

This term we will see that God's plan for his world is beautifully harmonious and sings a constant tune of his grace.

Come and ask your questions and explore God's story through the Bible, safe in the knowledge that everything is all about Jesus.

Each week we also hear more about ChristChurch, our vision, history and life together.
