There is no assurance or guarantee with respect to the prices at which any securities of the Company will trade, and such securities may not trade at prices that may be implied herein. The estimates, projections and potential impact of the opportunities identified by the Participants herein are based on assumptions that the Participants believe to be reasonable as of the date of the materials on this website, but there can be no assurance or guarantee that actual results or performance of the Company will not differ, and such differences may be material. Shareholders and others should conduct their own independent investigation and analysis of those statements and communications and of the Company and any other companies to which those statements or communications may be relevant.

These materials do not recommend the purchase or sale of any security. The Participants currently beneficially own shares of the Company. It is possible that there will be developments in the future that cause the Participants from time to time to buy shares of the Company (in open market or privately negotiated transactions or otherwise), sell all or a portion of their holdings of the Company in open market transactions or otherwise (including via short sales), or trade in options, puts, calls or other derivative instruments relating to the shares of the Company.
