

ALGERGER GUARDIANS

Algerger Guardians Netball Club

REGISTRATION AND FEE PAYMENT POLICY

Algerger Guardians Netball Club will ensure all players are registered and financial before the commencement of each season. No player with outstanding monies from previous seasons will be accepted as a player unless full payment is made.

Before the commencement of each season all players must register via Netball Connect.

The Registration form and payment process must be completed online, prior to the commencement of each season (a cut-off date will apply) to allow adequate time for processing, grading (where necessary) and team placement. Any registrations received after that may be considered after consultation with the Committee.

All fees for the season will be managed by the NetballConnect system via credit/debit card upon registration. Where this is not possible due to financial hardship or other exceptional circumstances, the player/parent or guardian must contact the Treasurer by emailing algerger.guardians@gmail.com to request consideration for a payment plan.

Registration fees consist of 3 components:

- Netball QLD — Player insurance
- Underwood Park Netball Association – court hire etc
- Algerger Guardians — umpires, presentation event, awards, equipment etc

This policy only refers to the Algerger Guardians component fees. The other 2 components are managed by the relevant entities.

In the event that a player withdraws their registration prior to the player taking the court for any reason (this includes grading day, meet and greet or training), a full refund of the Algerger Guardians component will be processed via the online payment system. Algerger Guardians will also request a full refund be provided by Underwood Park Netball Association and Netball Queensland.

Where a player withdraws their registration after taking the court for any reason (including grading day, meet and greet or training), and before fixtures have commenced, no refund is applicable for the Netball QLD component as insurance has been initiated. Underwood Park Netball Association refund is at the discretion of Underwood Park Netball Association board.

Where a player withdraws their registration after fixtures commence, no refund will be provided.

As well as a financial commitment to Algester Guardians, each family must be willing to complete volunteer duties (canteen, BBQ, set up and pack down duty along with external fundraising days organized by Algester Guardians Netball Club) and assist in scoring and washing of bibs, when advised by the team manager. If you wish to be excused of these duties, you must forward a written application to the Committee, Algester Netball Club, prior to the commencement of the season, stating your reason, as to why you should be excused.

Training is an important process and Players must have attended at least one training session before taking part in a fixtures game. It is the Player's/Parent's/Guardian's responsibility to inform the Coach/Manager if they are unable to attend training or a game.
