Safety and A.A.: Our Common Welfare

Safety is an important issue within A.A. — one that all groups and members can benefit from. This material is based on the fundamental principles of the Fellowship.

*Some members of Alcoholics Anonymous feel a small part of a great whole. A.A. must continue to be a part of us and every one. Hence our common welfare comes first. All individual welfare follows close

THE INTERNATIONAL LITERATURE FUND

An A.A. meeting has served mankind for well over a century. Its success, its vitality — the credit for A.A. members and members in a majority of languages has been the result of the International Literature Fund. This fund is supported by the financial contributions of members and friends of A.A. in all countries. It is the primary starting point for the purchase of books, pamphlets, and other literature for the use of A.A. groups and individuals.
