### Committee Reports:

#### Hospital & Institution Report

Jason provided an updated contact list of our commitments and groups that are covering them. Jason contacted Innovo, Brite Life and Mountain Manor to go over their requirements. The only facility that got back to him was Mountain Manor. They want 2 men and 2 women. They should have a year of sobriety. They should also have a Covid vaccine, but it is not checked for verification. We discussed how this should be handled when we get speakers. We will tell them the requirements and leave it up to them.

Samuel had some concerns over the 5<sup>th</sup> Thursday at Brite Life. He would go and take a female, but the last few times Biglerville was there. Jason also contacted York Inter group to see how they contacted district. It was brought up that the information was in the Black Book. Bill asked what was the Black Book. It was mentioned It has the Hanover Group Bi Laws and information on Inter group and explains the duties of the positions.

#### Intergroup Communications:

LeeAnn reported that the Where and When's were at the printers. She did add the contact phone numbers. She will let the group know when they are back, and what the cost difference would be should we change the size. We voted not to put York Springs in the Where and When. LeeAnn also mentioned she would be giving up the position she is now holding.

#### Activities and Upcoming Events:

Tina had all of the receipts from the picnic. She also reported we had one box of hamburgers, one pack of hot dogs and a case of water left over. We decided to keep those for a future event. We decided we would not do a Thanksgiving Alcahthon. The Hanover Group does a Christmas dinner with a speaker. So the next thing Inter group is looking into is an Alcahthon on New Year's Eve. Tina will contact the Church and we will vote on where to have it held next meeting. We were to go back to our homegroups and ask if they would like to participate.

#### District News:

The EPGSA is having a workshop and banquet in Lancaster on 11/10. You can register online. There is a meeting Tuesday 10/24 at the Hanover Library to discuss putting together a committee to have a workshop in Hanover. The district has good involvement but needs group involvement. Melissa brought up the district hot line. It has been several years since it was updated, and most women listed are no longer with us. They need Hanover women for contacts.

All Committee reports were accepted and approved.

#### Old Business:

There was no Old Business to discuss.

#### New Business:

We will be having elections for all positions in Inter group at our next meeting. We will need to have nominations and voting. We also were to take this back to our homegroups to get some involvement.

The meeting adjourned at 11:38 and concluded with The Lord's Prayer.
