FILMLITES™

Got Gear?

CONTENTS

Who We Are

LEAN. AGILE. READY TO ROLL.

MISSION
Our mission is simple: We offer clients the best-in-class equipment, including cameras, lenses, grip equipment, lighting, and power solutions, paired with outstanding crew support and local resources. As a trusted partner in the industry, Filmlites upholds its excellent reputation through experienced leadership in all departments.

HISTORY
Owner Roland Morgan has produced content for clients like Microsoft, Boeing, and the American Heart Association and served in various creative roles. Returning to his roots and passion for lighting, designing, and building mobile grip and lighting capabilities, Filmlites today specializes in enabling corporate storytelling and small-scale productions.

What We Do

COVER YOUR ASS WITHOUT THE OVERHEAD.

ON DEMAND GRIP, LIGHTING AND CAMERA
FilmLites brings mobility to the set. Rent our gear-loaded Hybrid Grip Truck and unlock pay-per-use convenience—premium lighting, camera, and power solutions are ready when needed.

HOW IT WORKS
FLAT RATE ACCESS
Rent our Hybrid Grip Truck for $850 per day. This includes our FilmLites grip/driver, which is pre-loaded with essential production gear.

PAY-PER-USE
Only pay for the lighting, camera, and power equipment you use.

END OF DAY TRANSPARENCY
Our driver will provide a detailed summary of your usage at the end of the day, ensuring your costs are transparent and predictable.

WHY FILMLITES?
EFFICIENCY MEETS CREATIVITY

HIGHLIGHTING OUR TEAM
The backbone of FilmLites is our exceptional crew—a close-knit team driven by passion, creativity, and decades of combined experience. Each member excels in camera, grip, and lighting, but it is their collaboration that truly sets them apart. Whether fine-tuning a shot or troubleshooting issues on the fly, they work together seamlessly, turning challenges into opportunities. Their dedication ensures our reputation continues to grow.

STREAMLINED, MOBILE SOLUTIONS
Everything operates smoothly. Our grip truck, speedrail shelving, and rolling cart system are designed to fit into elevators, corporate hallways, and tight locations, ensuring maximum efficiency with minimal hassle.

FAST. FOCUSED. BUILT FOR MOTION
We avoid excess rentals and wasted resources. Every piece of equipment is available exactly when needed, allowing productions to remain fast-moving, focused, and cost-effective.

LESS IS MORE
Maximize creativity and minimize logistics. FilmLites operates on a workflow-first philosophy, removing unnecessary complexity so that filmmakers, photographers, and creatives can concentrate on their craft instead of managing logistics. When time is money, we make every moment count.

SMARTER, FASTER, BETTER
We believe in best practices, continuous improvement, and refining our production workflows. Growth is our mindset—we never stop learning, adapting, and evolving to deliver smarter and faster solutions.

Let's make something great happen!

Honor the Pre-Pro

COLLABORATE. CREATE. MAGIC.

Every production, big or small, thrives on preparation, and Producers make it happen. Everything flows smoothly when details are locked in, creative vision is aligned, and the team is focused. There's no chaos or scrambling on set—just clarity, rhythm, and momentum. The shoot becomes what it should be: collaborative, creative, and magical. With good food, great music, and zero stress, people do their best work and enjoy themselves. We've seen it repeatedly: honor the pre-production process, and the production becomes a celebration. Martini, anyone?

Let's shoot something extraordinary!

PORTABLE POWER

ANKER SOLIX 3800 POWER CART   350.00
Anker Solix 3800 - Plus Portable Power Station
Anker Solix 3800 - Expansion Battery
Anker Solix 3800 - Speedrail Power Cart
Anker Solix 3800 - Power Cable

AC EXTENSIONS (WOODHEAD) 30 AMP
2 X 25 FT AC Twist NEMA 30-Amp - Extension

FEATURES

- WHEELS: Rolling Speedrail Anker Power Cart.

- CAPACITY: 7.68 kWh of capacity.

- CONSUMPTION: Drawing 20 amps at 120 volts produces 2,400 watts, providing 3.2 hours of continuous use.

- OUTPUT: Dual voltage (120V/240V) 60Hz with a maximum power of 6,000W.

- PORTS: NEMA TT-30P 20V/240V~30A Max, and NEMA L14-30R 120V/240V~25A Max, 60Hz.

- 60hz: 12,000 Watts of clean sine wave power.

- MOBILE: Features intelligent energy monitoring via a mobile app, with Bluetooth and Wi-Fi connectivity.

- SOLAR: Can charge via solar panels while powering devices.

- INPUT: Supports up to 3,200W of solar input with dual MPPT controllers (11-165V range).

ANKER SOLIX 3800 PLUS - PLUG & PLAY POWER
Designed specifically for film and photography production, the Anker Power Cart (APC) delivers reliable power for sensitive equipment through its pure sine wave output. This eliminates the need for heavy diesel generators while providing silent, emission-free operation, making it perfect for productions with carbon-neutral or net-zero sustainability goals.

The Anker Solix 3800 Plus is a 7.68 kWh power supply with innovative sodium chemistry to deliver consistent, eco-friendly AC or DC power. It offers a quieter and cleaner alternative to gas generators and lithium power supplies, making it an ideal sustainable energy solution for production needs.

The Power Cart system, specifically designed for FilmLites video and photo production rentals, features pure sine wave output, ensuring reliable performance for sensitive equipment like cameras and lights. Its sodium-based technology provides a cleaner, quieter alternative to traditional power sources.

3-Ton

Meet Thumper

Thumper is a 3-ton hybrid grip truck featuring a preloaded compact grip package, HVAC, Starlink internet anywhere, and 7.6 kW solar/battery power. It has an 8FT X 6FT liftgate and a built-in DIT workspace. Add lighting and a camera package to complete your production requirements. Let's roll!

3-TON

GRIP PACKAGE

GRIP PACKAGE

3-TON GRIP TRUCK — 350.00
Mileage (per mile) — 1.15
Filmlites Driver/Crew member required

INCLUDES
- 17FT Cargo Box
- 19,500 GVRW
- Jockey Boxes
- HUE LED Cargo Box Lighting
- Liftgate Battery Bank with AC + Solar Charger
- Backup Camera
- GPS Vehicle Tracking
- Security Cameras + Alarm

SWASH
- Speedrail shelving racks for organization
- Speedrail carts designed for efficiency
- GPS tracking with AI safety monitoring
- Backup cameras to assist drivers
- Modern stereo with phone holders for hands-free use
- Auxiliary Liftgate battery with solar and AC charging system

FEATURES

GRIP, ELECTRIC, OR CAMERA?
Our turnkey packages provide combo trucks or department-specific solutions. Thumper's efficient conversions are ideal for second unit run-and-gun workflows or small productions.
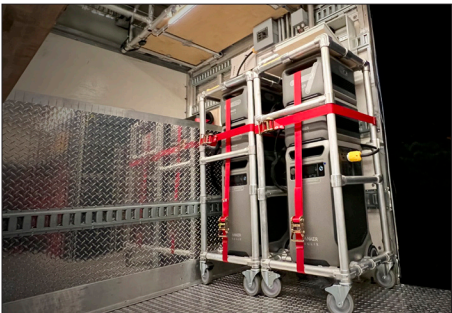

TECHNOLOGY

Thumper features a DIT workspace with 120V AC, two Apple 27" Cinema Displays, and Starlink Internet available through ethernet and WiFi network throughout the truck. It also includes great lighting and HVAC for both heat and cold weather. Full on video and photo editing capabilities.
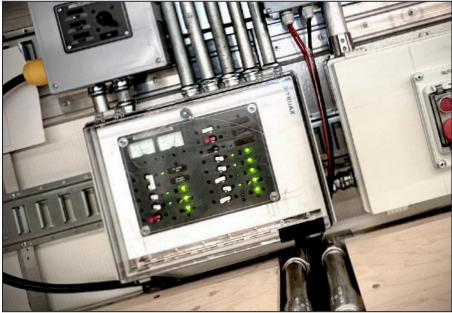

Thumper delivers 12,000 Watts of clean sine wave power with 120V AC and NEMA L14-30R output, powered by solar panels charging the Anker Solix 3800 System. Ideal for video and photography location production, Thumper combines efficiency, reliability, and sustainability in a revolutionary design. Its ease of setup and minimal maintenance make it a game-changer in transportation, while the box interior design allows for easy crew workflows. Thumper ensures your production has the power it needs without compromising.

Thumper can provide shore power input if needed and delivers 12,000 Watts of clean sine wave output power with 30 amps of 120V AC. If the shooting set is within 100 feet of Thumper, it includes one 25 FT AC Twist NEMA 30-Amp Pin+Sleeve Extension and two 25 FT AC Twist NEMA 30-Amp Extensions to run from the truck to the set. Thumper ensures your production has the power it needs without any hassle.

Clients

FAQS

AGE MINIMUM TO RENT EQUIPMENT: Renters must be at least 18 years old.

RATES:
- Daily: Pick up after 3 pm the day before your shoot and return by 10 am the day after.
- Weekend: Pick up Friday, return Monday, only pay for a 1-day rental!
- Weekly: 7-day rental for the price of 4 days.
- Monthly: 30-day rental for the price of 12 days.

LISTED PRICES: All prices are for a 1-day rental. We also offer a 4-day week and special discounts. Please inquire.

INCLUDED ESSENTIALS: Our cameras come with a memory card, two batteries, a charger, and a carrying case. Neck straps and cables are available upon request.

REQUIRED ITEMS FOR PICK-UP: Please bring a valid ID and credit card for any required deposit. First-time renters may need a full retail value credit authorization at pickup. Depending on the value of the gear, a Certificate of Insurance might be required.

ADVANCE RESERVATIONS: We accept reservations up to 3 months in advance and recommend at least 2-5 days in advance. Walk-ins are always welcome.

AUTHORIZED PICK-UP: Someone else can pick up your rental if they put the deposit on their own card or you email your info ahead of time. Call or email us to authorize someone to pick up on your behalf.

LATE DROP-OFF: Drop-offs are due by 10 am, with a one-hour grace period. After the grace period, we will charge an additional day rate.

CREDIT AUTHORIZATION: A deposit/security hold is placed on your credit card at pick-up and may take 2-10 business days to fall off, depending on your bank. Contact us for specific deposit hold questions.

CANCELLATION POLICY: Provide 24 hours' notice for cancellations. Currently, we do not charge for cancellations.

RETURNING PARTIAL RENTALS: If items are misplaced, you have two days to find and return them. After that, you will be charged for missing items. If transportation is an issue, you can ship them back to us.

DAMAGED EQUIPMENT: Equipment should be returned in the same condition as picked up. Damage must be repaired and paid for by the customer. If repair is not possible, replacement cost will be charged. If equipment is inoperative, call immediately to arrange a trade. Check equipment at rental time to verify usability.

DEPOSITS: A deposit is required unless you have a charge account with Filmlites. The deposit is the replacement cost of the equipment and held on your credit card for 2-10 business days after the return. Using the same card for payment as the deposit will remove the hold quicker.

INSURANCE REQUIREMENTS: Filmlites must be added to your policy as a Loss Payee and/or Certificate Holder. The certificate must list the policy number, insurance limit, and deductible. The insurance agent's information must be up to date and the expiration date current. Provide your insurance company with our information to add Filmlites as a loss payee: rentals@filmlites.com. Insurance certificates can be emailed to rentals@filmlites.com.

FILMLITES LEGAL STRUCTURE: Filmlites operates as a DBA of SkunkWerks, LLC.

HOW TO RENT

Setting up an account is easy. The link below has all the required paperwork, including insurance requirements. Once we receive your completed packet, a team member will contact you to finalize your account.

Questions? Email rentals@filmlites.com or message us using our website messaging app.
