## Norm Fleury All-Americans & Larochelle Awards Winners

The National Duckpin Youth Association recognizes high average bowlers each season with awards in Norm Fleury All-American, Archie Larochelle and Evelyn Larochelle categories.

The five bowlers in each age division, boy and girl, with the highest fall/winter league averages are named to the NDYA Norm Fleury All-American Teams. The highest average bowler in each division, boy and girl, wins the Archie Larochelle Award, and the highest average boy and girl bowler in the entire NDYA program receives the Evelyn Larochelle Award.
