25 July 2019

It is with great excitement that I welcome you to the 46th Annual Duckpin Bowling Proprietors of America National Duckpin Youth Championships and Open Tournament!

It continues to be a great honor to serve as your NDYA President. Special thanks to our Program Director Frank Ferri, our Board of Directors, and everyone who served on our National Tournament committees. Everyone worked exceedingly hard this year to greatly enhance this weekend based on feedback we received from you, our youth bowlers.

First, we looked to increase the opportunities for participation – adding open singles, doubles, and triples tournaments – which enabled friends from different centers and even different states to bowl together and make even more great memories. The annual Pro-Am Tournament is now a crossover event whereby bowlers from the team championships and those from the open tournaments can compete alongside professional bowlers from the Duckpin Professional Bowlers Association and the Women's National Duckpin Association. A big shout out to the pros for helping us make this year's tournament a huge success. Next, we looked to enhance the recognition. We created the All-Events category which gives youth who participate in at least one singles, doubles, and triples shift the opportunity to compete for an additional all-around type award. And finally, with the help of a few steadfast sponsors, we expanded our scholarship program, doubling the amount of \$500 scholarships to be presented from 4 to 8. We will be eager to hear your thoughts after this weekend. What did you like? What would you like us to consider adding or changing? We need to hear from you.

Special thanks to Bob Moore, Ann Miller, and the entire staff of AMF Southwest for hosting us this year. Please thank your parents and coaches, and the officials and staff who have worked untold hours to make this event possible.

My personal message to all of you is to be kind to and tolerant of one another; not just this weekend, not just at bowling, but always. Competition builds character, but kindness and tolerance build a better world. You have the power to make the world a better place.

We are so glad you are here. Have a fantastic weekend!

Yours in Duckpin Bowling,

Jane

Welcome National Duckpin Youth Bowlers to Maryland!

It is with great pleasure that we welcome each of you to the 46th Annual NDYA National Tournament in Baltimore, Maryland, home of the National Duckpin Bowling Congress (NDBC). You follow in the great tradition of many young bowlers who have participated in past NDYA National Tournaments who have gone on to years of great achievements in duckpin bowling, some even culminating with induction into the Duckpin Bowling Hall of Fame.

THE ZARRELLA AWARD

Beginning with the 1986 National Duckpin Youth Championships, an award called the Zarrella Award has been presented at the National Tournament. The Zarrella Award goes to the National Tournament bowler who bowls the most pins over his/her three-game average.

The award is named for Tom and Ray Zarrella who owned and operated the Garden City Lanes in Cranston, Rhode Island for 32 years. After the bowling center closed in 1985, a banquet was held for Tom and Ray and some money was contributed to the National Duckpin Youth Association for the creation of this everlasting award in Tom and Ray's names.

The boys and girls who bowl the highest three-game sets, scratch and handicap, during the tournament will receive \$500 scholarships. These awards are announced during Saturday night's awards banquet. This year's \$500 scholarships are again being funded through generous contributions from the following:

- **Stacy Karten** - The NDYA sponsors a scholarship to honor Stacy for his lifelong achievement and dedication to the game of duckpin bowling. Stacy has served in many capacities over the years; and although he officially retired as the NDYA Program Director in December 2017, he continues to work behind the scenes to ensure the success of the program.
- **Dolly Daniels** - A scholarship has been established to honor Dolly for her dedication and commitment to youth duckpin bowling. Dolly served as a coach at Glen Burnie Bowl, the Youth Director at AMF Southwest and a National Instructor before retiring in 2016. She continues to serve as a Maryland State Director.
- **Norm Fleury** - The Rhode Island Duckpin Bowling Proprietors Association has generously donated this scholarship in honor of Past NDYA President, Norm Fleury, who died in October, 2001.
- **Maryland Thoroughbred Horsemen's Association** - This organization serves Maryland's horse racing industry and we thank David Richardson for his donation.

EVENT GROUP

WWW.ONEROCKEVENTGROUP.COM

CONGRATULATIONS 2019 NDYA PROGRAM GRADUATES!

The following NDYA members are in their last year of youth bowling.

We wish them all the best in the years ahead.

Julie Alves, *Town Hall Lanes, Johnston, RI*

Starting at 5 years old, Julie has continued bowling for 16 years. Her high game as a youth bowler is 188. She had girls high average at the North/South in 2015. She was a North/South Champion from 2016. She placed 2nd at the NITs in 2018. Julie had girls high average at Feb Matches in 2019. She placed 2nd in the RI Invitational in 2018 & 2019. Julie is excited to continue her bowling career in the adult league and cannot wait to face the great competition that stand in front of her. Julie's positive energy and great leadership is what keeps her teammates focused and determined to win. The thing people will miss the most about Julie is her gratitude towards other bowlers and most importantly all her stuffed animals.

Jordan Brightley, *Glen Burnie Bowl, Glen Burnie, MD*

Jordan began bowling in 2001, at Riviera Bowl in Pasadena, MD, when he was 4 years old. When Riviera closed in 2007, he transitioned to Glen Burnie Bowl. He finishes his NDYA career with a high game of 197 and a high set of 421. He is working as an electrician and likes to travel. Jordan is one of the nicest youth you'd ever want to meet. He's always polite and sets a great example for the younger bowlers. He has a smile that lights up the room - when you can get him to smile - and we are going to miss him so very much! We're hoping to convince him to come back and coach. We love you, Jordan!

Crystal Burbank, *Wickford Lanes, North Kingstown, RI*

We are proud to say that Crystal has been a member of our Wickford Lanes family for 16 bowling seasons, starting at the age of 6.
