

Job Posting – Minto-Mapleton Family Health Team

Title:	Registered Practical Nurse (RPN)	Dept:	Nursing
Location:	Mapleton Health Centre – Drayton Site		
Position Type:	Permanent Full-Time	Reports To:	Clinic Manager
Start Date:	June 2026	Salary:	\$26.50-\$28.50/hour

The Minto-Mapleton Family Health Team (MMFHT) is seeking a permanent full-time Registered Practical Nurse to join our collaborative primary care team at the Mapleton Health Centre (MHC) in Drayton.

This position will support both the Minto-Mapleton Family Health Team Nurse Practitioners and the Mapleton Health Centre physicians located at the Drayton site. The successful candidate will work closely with the existing RPN team, nurse practitioners, physicians, allied health professionals, and administrative staff to support high-quality, patient-centered care.

Although this role is based at Mapleton Health Centre and will work alongside the MHC clinical team, the successful candidate will be an employee of the Minto-Mapleton Family Health Team.

Key Responsibilities

- Support nurse practitioners and physicians with patient care, procedures, and clinic flow
- Deliver high quality primary health care to patients within the RPN scope of practice. Including but not limited to:
 - Patient assessments, triage, immunizations, injections, blood draws, wound care, vital signs monitoring, suture/staple removal, ear syringing, and other clinical tasks as assigned.
- Provide patient screening, health education, and follow-up as needed
- Maintain accurate documentation in the electronic medical record
- Work collaboratively with the interdisciplinary care team
- Maintain confidentiality and manage personal health information in accordance with PHIPA

Skills, Qualifications, and Requirements

- Current registration and good standing with the College of Nurses of Ontario as an RPN
- Current CPR and First Aid certification
- Current satisfactory criminal and vulnerable sector check
- Up-to-date vaccinations, including COVID-19
- Strong patient assessment, triage, communication, and organizational skills
- Team-oriented with a willingness to learn
- Comfortable using technology and EMR systems (Telus PS Suite experience considered an asset)
- Understanding of confidentiality and professionalism, especially in a small-community setting
- Experience in primary care is considered an asset
- Reliable transportation

MAPLETON
HEALTH CENTRE

What We Offer

- Full-time, daytime hours (Monday – Friday) with occasional evening shifts (1-2x per month)
- HOOPP pension plan
- Paid professional development opportunities
- A collaborative, supportive team environment

How to Apply

Qualified applicants are invited to submit a resume and cover letter electronically to:

Elizabeth Boyne
Clinic Manager
eboyne@mapletonhc.ca

Closing Date: June 10, 2026
