

# ANDREA L. S. BULUNGU, PH.D., MPH

Kampala, Uganda

Telephone: +1 202 250 4399 or +256 758 162 895

E-mail: andreamspray@gmail.com

---

## EDUCATION

- 2022 Ph.D.  
The London School of Hygiene & Tropical Medicine, London, UK  
*Dissertation:* Validation of an automated wearable camera-based image-assisted recall method and the 24-hour recall method for assessing maternal and child dietary diversity and women's time use in rural Uganda
- 2011 M.P.H.  
Washington University in St Louis, St Louis, MO  
Brown School of Social Work
- 2000 B.A. Art History / Studio Art  
Indiana University, Bloomington, IN  
School of Fine Arts

## POSITIONS AND APPOINTMENTS

- 2023 - 2024 Research Assistant Professor  
Brown School at Washington University in St Louis  
St Louis, MO
- 2013 - 2015 Nutrition Specialist  
World Bank Group  
Washington, D.C.
- 2012 - 2013 Senior Nutrition Advisor/IYCN  
USAID SPRING Project, Save the Children USA  
Washington, D.C.
- 2010-2013 Research Assistant  
Washington University in St Louis, St Louis, MO, Cap Haitien, Haiti
- 2010 Intern  
Helen Keller International (HKI), Nigeria
- 2009-2011 Research Assistant  
Health Communication Research Laboratory (HCRL), St Louis, MO
- 2002 - 2009 Senior Usability Specialist  
Monsanto Company, St Louis, MO

## ACTIVITIES

- |              |  |  |
|--------------|--|--|
| 2024-Present | (National Institutes of Health), <b>Ecuador</b>  | Obesity Prevention Intervention in School-Age Children in Quito and Tulcán, Principal Investigator |
| 2023-2024    | (Catholic Relief Services / USAID), <b>Haiti</b> | Ayiti pi Djanm ("a Stronger Haiti"), Co-Investigator   |
| 2023-2024    | (IMMANA), <b>Uganda</b>                          | Mmeka?: Improved methods for collecting food price data in Kampala, Uganda, Principal Investigator |
| 2023-2024    | World Bank, <b>Uganda</b>                        | Northern Uganda Social Action Fund (NUSAF4), Consultant  |
| 2023-2024    | World Bank, <b>Senegal</b>                       | Peri-urban Integrated Child Growth, Care, Nutrition, and Development (MindUp), Consultant          |

2023	World Bank, <b>Nigeria</b>	Accelerating Nutrition Results in Nigeria (ANRiN), Consultant
2017-2023	London School of Hygiene & Tropical Medicine (IMMANA), <b>Uganda</b>	Using ICTs to understand relationships between labour saving innovations, women's time use and maternal and child nutrition outcomes, Co-Investigator
2022-2023	World Bank, <b>Indonesia</b>	Investing in Nutrition and Early Years (INEY) program in Indonesia, Consultant
2022-2023 2018-2020	World Bank, <b>Cambodia</b>	Cambodia Nutrition Project, Consultant
2022-2023	International Livestock Research Institute, <b>Uganda</b>	Sustainable Animal Productivity for Livelihoods, Nutrition & Gender Inclusion (SAPLING), Consultant
2022	Apata Insights (Trickle Up), <b>Uganda</b>	Building Self-Reliance and Resilience in West Nile, Uganda, Co-Investigator
2022	WorldFish (USAID), <b>Myanmar</b>	Fish for Livelihoods Activity, Consultant
2020-2022	ICF International, <b>Uganda</b>	DHS8 Uganda pilot, Consultant
2021-2022	World Bank, <b>Global</b>	Water, Sanitation and Hygiene (WASH) in Fisheries and Aquaculture, Consultant
2019-2022	World Bank, <b>Global</b>	Positioning Nutrition within Universal Health Coverage Frameworks, Consultant
2020	Anna W. Herforth, LLC, <b>Africa</b>	Diet Quality Questionnaire (DQQ), Consultant
2020	Food and Agriculture Organization, <b>Global</b>	Enhancing regional capacities to design and implement nutrition-sensitive social protection programmes to reduce food insecurity and malnutrition, Consultant
2019 - 2020	World Bank, <b>Lao PDR</b>	Evaluating the Impacts of Clean Cooking Technology in Laos, Consultant
2019 - 2020	Independent Evaluation Group of the World Bank, <b>Global</b>	IEG Review of World Bank Group (WBG) Support to Chronic Malnutrition Evidence map finalization and coding of portfolio, Consultant
2017 - 2020	World Bank, <b>Cambodia &amp; Lao PDR</b>	Unpacking the linkages between women's endowments, economic opportunity, and malnutrition in Cambodia and Lao PDR, Consultant
2018	World Bank, <b>Papua New Guinea</b>	Multisectoral approaches to improving nutrition outcomes: Papua New Guinea, Consultant
2016 - 2018	World Bank, <b>Senegal</b>	Analysis & Perspective: 15 Years of Experience in the Development of Nutrition Policy in Senegal, Consultant
2016	World Bank, <b>Benin, Burkina Faso, Cote d'Ivoire, and Togo</b>	The Case for Investing in Nutrition in Benin, Burkina Faso, Cote d'Ivoire and Togo, Consultant
2015 - 2018	World Bank, <b>Global</b>	SecureNutrition Knowledge Platform (SNKP), Consultant
2015 - 2017	World Bank, <b>Sierra Leone</b>	Sierra Leone Social Safety Net Project, Consultant
2016	London School of Hygiene & Tropical Medicine, <b>India</b>	Community-driven and digital technology-enabled agriculture intervention for nutrition: a cluster randomized controlled trial in Odisha, India, Research Assistant
2016	World Bank, <b>Madagascar</b>	Building Nutrition Sensitive Safety Nets, Consultant

2016	FHI 360, <b>Ethiopia</b>	USAID Ethiopia: Empowering New Generations to Improve Nutrition and Economic, Consultant
2015	Welthungerhilfe, <b>Sierra Leone</b>	Impact of Ebola Virus Disease on Food Availability, Food Consumption and Household Dietary Diversity in Kenema and Tonkolili Districts, Consultant

## INVITED PRESENTATIONS

*Crowdsourcing food prices with Poket.* ANH Academy Week Learning Lab. Online. 17 - 20 June 2024.

*Mmeka? Methods of collecting food prices in Kampala, Uganda.* ANH Academy Research Community on Food Access. Online. 21 February 2024.

*Validation of an automated wearable camera-based image-assisted recall method and the 24-hour recall method for assessing dietary diversity and time allocation in rural Uganda.* IMMANA Stakeholder Dissemination Meeting. Kampala, Uganda. 23 January 2024.

*Mmeka? Methods of collecting food prices in Kampala, Uganda.* IMMANA Fellows quarterly meeting. Online. 21 September 2023.

*Validation of an automated wearable camera-based image-assisted recall method and the 24-hour recall method for assessing dietary diversity and time allocation in rural Uganda.* Scuola Specializzazione in Statistica Sanitaria e Biometria, Sapienza Università di Roma, 21 June 2023.

*Cognitive Interviews for the DHS-8 Pilot, Uganda.* Learning Network on Nutrition Surveillance (LeNNS): Methods Showcase on Diet Quality Assessment. Kampala, Uganda. 29 May 2023.

*Behaviour change communication interventions for improving animal-source food consumption in low- and lower-middle-income countries.* The SAPLING Initiative- Nutrition stakeholder workshop. Kampala, Uganda. 26 April 2023.

*Validation of an automated wearable camera-based image-assisted recall method and the 24-hour recall method for assessing women's time allocation in Uganda.* 44th International Association for Time Use Research Conference. Montréal, Quebec, Canada. 17-19 August 2022.

*Validation of an automated wearable camera-based image-assisted recall method and the 24-hour recall method for assessing women's time allocation in rural Uganda.* 117th American Sociological Association Annual Meeting. Los Angeles, California. 5-9 August 2022.

*Validation of an automated wearable camera-based image-assisted recall method and the 24-hour recall method for assessing dietary diversity and time allocation in rural Uganda.* Scuola Specializzazione in Statistica Sanitaria e Biometria, Sapienza Università di Roma, 16 March 2022.

*Assessing maternal and child dietary diversity and women's time use using automated wearable cameras in Uganda.* Drivers of Food Choice and Innovative Methods and Metrics for Agriculture and Nutrition Actions Stakeholder Dissemination Workshop, Kampala, Uganda, 2 December 2021.

*What can we learn from interventions in nutrition-sensitive social protection?* Economic Policy Research Institute (EPRI) International Training Programme (ITP 322) Social Protection for Sustainable Development, Webinar, 18 October 2021.

*Assessing maternal and child dietary diversity and women's time use using automated wearable cameras in Uganda.* Program in International Nutrition, Cornell University, 7 October 2021.

*Enhancing the impact of social protection programs on food security and nutrition [Panelist].* Food and Agriculture Organization of the United Nations (FAO), 16 September 2021.

*Validation of a life-logging wearable camera method and the 24-hour recall method for assessing dietary diversity and time allocation.* Scuola Specializzazione in Statistica Sanitaria e Biometria, Sapienza Università di Roma, 15 June 2021.

*Validation of a life-logging wearable camera method and the 24-hour diet recall methods for*

*assessing maternal and child dietary diversity [Poster and Elevator Pitch]. 4th Annual Agriculture, Nutrition & Health (ANH) Academy Week. Hyderabad, India. 2019.*

*The Feasibility and Acceptability of Information and Communication Technologies (ICTs) for Collection of Diet and Time Use Data. 3rd Annual Agriculture, Nutrition & Health (ANH) Academy Week. Accra, Ghana. 2018.*

*ICTs for Nutrition and Time Use (INATU). Sight and Life Elevator Pitch Contest at the American Society for Nutrition (ASN) Annual Meeting. Boston, MA. 2018.*

*Understanding audience needs in finding and using cancer registry data. Centers of Excellence in Cancer Communication Research (CECCR) Annual Meeting. St Louis, MO. 2011.*

*Improving Young Child Nutrition in Haiti. Institute for Public Health Annual Conference. St Louis, MO. 2011.*

*Geographical Distribution of Factors Contributing to the Nutritional Status of Children Under-3 in Léogâne Commune, Haiti. Ashburn Graduate Student Conference. St Louis, MO. 2011.*

*Nutrition and health situation of children in pre- and post-earthquake Léogâne Commune, Haiti. The Children's Nutrition Program of Haiti (CNP). Léogâne Commune, Haiti. 2011.*

*Nutrition and health situation of children in pre- and post-earthquake rural Léogâne Commune, Haiti. Experimental Biology 2011. Washington, D.C. 2011.*

## **RESEARCH GRANTS**

- |           |  |
|-----------|--|
| 2024      | Principle Investigator. Obesity Prevention Intervention in School-Age Children in Quito and Tulcán. Nutrition Obesity Research Center, John T. Milliken Department of Medicine, Washington University in St Louis. |
| 2024      | Principle Investigator. Systematic Scoping Review of the Linkages to Maternal Mental Health in the First 1,000 Days. Washington University in St Louis, Brown School, Global Programs Faculty Research Fund.       |
| 2023-2024 | Principle Investigator. Mmeká? Methods of collecting food prices in Kampala, Uganda. IMMANA Fellowship.  |
| 2018-2020 | Co-Investigator. Understanding how dynamic relationships among maternal agency, maternal workload and the food environment affect food choices. Drivers of Food Choice Competitive Grants Program.                 |

## **TEACHING EXPERIENCE**

### *Co-Instructor*

Global Hunger and Undernutrition, Washington University in St Louis, Brown School of Social Work

### *Guest Lecturer*

Global Health Financing & Infrastructure, Saint Louis University, College for Public Health & Social Justice  
International Food and Nutrition Policies and Programs, George Washington University, Milken Institute School of Public Health

Global Hunger and Undernutrition, Washington University in St Louis, Brown School of Social Work

International Public Health, Washington University in St Louis, College of Arts and Sciences

Human Computer Interaction, Washington University in St Louis, Department of Computer Science & Engineering

Software Design and Development Studio, Washington University in St Louis, Department of Computer Science & Engineering

Web Development, Washington University in St Louis, Department of Computer Science & Engineering

### *Teaching Assistant*

Global Hunger and Malnutrition, Washington University in St Louis, Brown School of Social Work

Global Hunger and Undernutrition, Washington University in St Louis, Brown School of Social Work

Foundations of Geographic Information Systems (GIS) for the Applied Social Sciences, Washington University in St Louis, Brown School of Social Work

## **PROFESSIONAL SERVICE**

2022 - 2024      Heights and Minds  
2021              VISIDA dietary assessment system trialing  
2019              Nutrition Society of Uganda (NSU)  
2015              Junior Researcher Task Force, The 2nd International Conference on Global Food Security

## **Peer-Review Editorial Activities**

PLOS ONE  
The Lancet

## **Other Peer-Review Activities (Proposals)**

Innovative Metrics and Methods for Agriculture and Nutrition Actions (IMMANA)

## **AWARDS AND HONORS**

2022              World Bank Group Spot Award  
2018              Sight and Life Elevator Pitch Contest 3<sup>rd</sup> Place Award  
2016              World Bank Group FY16 Human Development Vice-Presidency Team Award  
2016              Delta Omega Honorary Society in Public Health, Gamma Sigma Chapter  
2015              *Brown School Distinguished Alumni Award*  
Washington University in St Louis, Brown School of Social Work  
2010              *Shanti K. Khinduka Fellowship for International Social Work Education*  
Washington University in St Louis, Brown School of Social Work  
2009              *Brown School Scholarship in Health Communications*  
Washington University in St Louis, Brown School of Social Work
