

1346 Financial, LLC what does it mean? The idea came from a book I read called, **"The Richest Man In Babylon"**, that talked about the 7 cures of money.

Here are the Seven Cures of money:

1. 🌟 **Start thy purse to fattening:** Save money, pay yourself first
2. ➡️ **Control thy expenditures:** Don't spend more than you need
3. 🌟 **Make thy Gold multiply:** Invest wisely in accounts where you get a reasonable return
4. 🌟 **Guard thy treasures from loss:** Avoid investments that are risky
5. ➡️ **Make your dwelling a profitable investment:** Own your own home
6. 🌟 **Ensure a future income:** Protect yourself with life insurance and longevity insurance using annuities
7. ➡️ **Improve thy ability to earn:** Strive to become wiser and more knowledgeable in your career

***Here at 1346 Financial, LLC we believe in these cures!***

- 👉 1. Pay yourself first from every paycheck
- 👉 3. Make your income and asset(s) make more money
- 👉 4. Guard your money from losses, never lose money
- 👉 6. Ensure a future income with life insurance and get insurance on your retirement asset(s)
