

Dear Anita, Carmen, and the Maintenance Staff at Park Brighton Apartments,

I just wanted to thank you all for making my past year at Park Brighton such a positive experience. I truly appreciate your professionalism, responsiveness, and the care you put into the community. The entire staff was always helpful and timely, and it made living here easy and comfortable.

As a small thank-you, I got each of you a little treat to enjoy. The Olive Garden gift card is for Carmen, the Texas Roadhouse gift card is for Anita, and the Chipotle gift card is for the maintenance team.

Thank you again for everything over the past year. I've genuinely enjoyed my time living here and appreciate all your support.

Sincerely,

Fermin F.
