

## St. Patty's Day

- St. Patrick's Day is celebrated on March 17th in honor of St. Patrick, the patron saint of Ireland.
- It marks the arrival of Christianity in Ireland and celebrates Irish culture and heritage.
- People often wear green clothing and accessories to symbolize Ireland, known as the Emerald Isle.
- Parades and festivals are common, featuring music, dancing, and traditional Irish food.
- Shamrocks are a popular symbol, as St. Patrick used them to explain the Holy Trinity.
- It's a day for fun and community, encouraging people to come together and celebrate.

## Park Brighton has been NOMINATED 🍀

Park Brighton has nominated in "The Best of 209" April issue as one of the best communities to call home. The ballots will open for anyone to vote in April. I will send out a scan code in our email portal for anyone that would like to cast their vote in support of our amazing community!

Emergency After Hours  
707-571-7049

Just a few reminders about the after-hours emergency number to keep in mind. A lock out requires you to call out a lock smith if the manager is not onsite. Also, work orders are not an emergency and can be called into the office the next business day. Please remember I do get all the after-hours calls, everything is reported directly to me 😊
