

TIMBERLANE NEIGHBORHOOD IMPROVEMENT AND BEAUTIFICATION DISTRICT

BUDGET MESSAGE **FYE 2025**

The Fiscal Year Ending (FYE) 2025 Budget represents the spending plan of the commissioners of the Timberlane Neighborhood Improvement and Beautification District (TNIBD). This plan intends to execute the mission of the district within the confines of the expected revenues generated based on the last year of operations along with anticipated increased revenue in the future.

The commissioners have implemented a 10-year vision to accomplish the stated desired result of the ordinance creating the TNIBD, specifically for “the purpose of promoting and encouraging the improvement, beautification and overall betterment of the Timberlane Neighborhood, in order to add to the quality of life of the residents thereof by maintaining property values, increasing the tax base, fostering economic growth and providing for recreational activities.”

The commissioners have carefully balanced the limited revenues comprised of property assessments and the operational revenue of an improving golf course along with the district’s primary goal of controlling the property owned by the district. Those revenues are categorized within the budget with additional detail regarding the income from those sources.

The budget assumes a very conservative 6% increase in golf generated revenues over the next 12 months along with a 9% increase in the expenses of a thorough golf maintenance and agronomy plan designed to continue the improvements of the course conditions. The commissioners have also incorporated a substantial capital improvement budget to include the complete renovation of the pool and the improvement of the driving range. Revenues are comprised of Parcel Assessments and Golf Course related income. Revenues categorized within the budget provide additional detail regarding anticipated income from various sources. Expenditures are derived from analysis of actual costs of our first 4 years of operations beginning in 2020.

The District has confidence that with continued diligent oversight from its commissioners, professional management of golf course, and implementation of the planned improvements will generate increased revenue, directly benefit the members of the District and their property over the coming years and continue to showcase Timberlane Golf and Recreation as the premier golf and recreation destination on the Westbank.

Respectfully Yours,

Jon S. McGill, Sr.
Chairman, TNIBD
