

# BOXWOOD NEIGHBORHOOD

Quarterly Newsletter

Appears Quarterly: February, May, August, November

November 2019

## speeding

Neighbors. Our biggest issue is speeding in the neighborhood. We have had close calls with people and cars and recently someone blew through a stopped school bus with their lights on.

Please remind your new drivers how important driving slowly is, and please, whenever you see someone in the street, slow down. Speed is a perceptive thing and what may seem like a reasonable speed to you, safely ensconced in your vehicle, may not seem that way to a vulnerable walker.

I don't need to remind anyone that in the People vs. Car fight, Car always wins. I'm pretty sure that's not the fight that any of us wants to win.

## wanted

**We need someone to head our IT committee.** It is not a strenuous job and requires minimal annual time, unless you are installing our security system (thank you in advance, Aaron Traphagen!!). You have a team of people to help you, if need be, and you may be called upon for a little expertise every now and then. Please contact [boxwoodpoa@gmail.com](mailto:boxwoodpoa@gmail.com) or one of the Board Members listed below. Thank you!

## holiday lights

A quick reminder that Boxwood lights are going up this Saturday, November 23 (if weather holds), or Friday or Saturday after Thanksgiving. Please, PLEASE come out to help. Contact [dcorry@msn.com](mailto:dcorry@msn.com) if you can help! David will try to post on the Boxwood Facebook page when he is going to be at the top of the street working hard, as he does year after year. Many hands and all that!

## survey

**The Annual Boxwood Survey is out!**

You should have received an email with the link to the survey. All homeowners are encouraged to take the survey. It should only take a few minutes of your time and helps the Board formulate plans for the upcoming year. Thank you!

## pool thank you

**A great BIG thank you to our Pool Committee!!**

They work hard to keep the pool going for the months it is open and they work on the planning in the months it is not. This is not a small amount of work, and they deserve our gratitude. Please be sure to thank them when you see them

## thank you

Please be sure to thank your neighbors for  
volunteering their time in the neighborhood.

*"Volunteers do not necessarily have the time; they  
just have the heart."* (Elizabeth Andrew)

**Amanda Council** for running the fabulous **Boxwood  
Summer Games** days before giving birth! Amanda brought  
back the games of yore with Olympic races and fun activities  
for all. The food was scrumptious and the ice cream was  
delicious! Thanks to all the helpers!

**Hannah Bilodeau and Amanda Council** for running  
the **Halloween Parade and Chili Cookoff!** What a FUN day it  
was, replete with incredible chili and pies!

**Missy and Bo Cunningham** for running the Boxwood  
Facebook page. It takes time and effort to make sure this  
page is continually updated. Thank you for doing this for  
many years!

**Mysterious Trash Can Remover** for getting rid of the  
pool trash can that apparently was VERY hard for bulk trash  
to take! You are appreciated!
