**AFFIDAVIT OF MEGAN BLAKE**

I, **Megan Blake**, of Feminist Legal Clinic, PO Box 273, Summer Hill NSW 2130, affirm:

1. I am a volunteer paralegal that assists Anna Kerr with the carriage of this proceeding on behalf of the Lesbian Action Group Inc (**LAG**).

**Terfisaslur.com**

2. Terfisaslur.com is a website that catalogues the violence and hatred directed towards so-called trans exclusionary radical feminists ('TERFs') on social media platforms.
3. Terfisaslur.com was brought to the AHRC's attention by various persons who made submissions: see for example T134, T277, T351, and T917.
4. At T313-314, LAG itself extracted social media content from terfisaslur.com in its submission to the AHRC.

**Extracts of terfisaslur.com**

5. On 23 and 24 July 2024, I visited terfisaslur.com and retrieved a sample of this social media content.

Now produced and shown to me, and marked "**MB-1**", is a copy of what I retrieved from terfisaslur.com.

**More recent social media posting with similar content**

6. Terfisaslur.com ceased aggregating social media content of this kind on or around January, 2021.
7. In order to check whether this type of content is still being posted, on 11 and 12 August 2024, I searched x.com (formerly known as 'Twitter'). To obtain this content, I used the following search terms: TERF, terfisaslur, kill terfs.

Now produced and shown to me, and marked "**MB-2**", is a copy of what I retrieved from x.com.

1/ Here we go again. I'm being investigated for discrimination because I saw a man and described them accordingly. I described them as a man as that's what I saw; an obvious male person with heavy male build, male jawline, male gait, male voice, and definitely male aggression. This person threatened me, and now I'm the one being investigated for "misgendering". There was no visible name badge, no "transwoman" tattooed on forehead. I have lawyered up to fight this, again.

I hope he gets the mental health care he desperately needs.
