We may share your information with your employer and our virtual and smart card suppliers. We may also share your information with CSCS, so your registration details can be independently checked at CSCS controlled sites. How long we keep it We will keep your basic personal data for two years after your last EUSR registration expires, after which time it will be destroyed. What are your rights? If at any point you believe retained information is incorrect you can request to see this information and even have it corrected and possibly deleted. Providing you this information is free of charge, but charges may apply for excessive requests. If you wish to raise a complaint on how we have handled your personal data, you can contact Rachel Thomas (dataprotection@euskills.co.uk) who will investigate the matter. For further information on which companies have been supplied with your details or how your information is used, how we maintain the security of your information and your rights to access/alter and change information we hold on you, please write to us at: Rachel Thomas, Energy & Utility Skills Limited, Friars Gate, 1011 Stratford Road, Shirley, Solihull, B90 4BN. Should you be unhappy with our processing of your personal data, you have a right to complain to the Information Commissioner's Office, which is the regulator for data protection.
