

Ask about our 4-Week Pony Tales Program for children!

Peck's Farm and Equestrian Center will be offering a hands-on experience with mini horses and ponies designed for young children from the ages of 3-5 years old.

The young equestrians will learn about horses and how to care for them while fostering good habits to ensure safety, build a bond with horses and become more comfortable and confident at the barn.

Children will learn how to groom, halter, lead and feed miniature horses. They will also participate in lead line riding at the walk.

Along with forming friendships, the children will participate in story time, arts and crafts, the ABCs of barn yoga, songs, simple science projects, and get to meet and spend time with Peck's Little Pony 🐾 "Apples."

Fundamental horsemanship skills will be integrated into fun activities!
