Aesthetic Services

50 Minute Custom Facial \$75

Includes a skin analysis, cleansing, enzyme exfoliating treatment, extractions, relaxing facial massage, targeted masking treatment and finishing products, all tailored to suit your skins specific needs,

Advanced Custom Facial \$125

Includes all the benefits of a 50 minute custom facial, with one additional advanced treatment of either microdermabrasion, or dermaplaning.

Microdermabrasion \$75

Microdermabrasion uses an abrasive diamond tip to lift and remove dead surface skin cells resulting in improved texture and hydration. Includes cleansing, microdermabrasion, and finishing products tailored to your skins specific needs.

Dermaplaning \$75

Dermaplaning utilizes a surgical steel blade to remove the outer layers of dead skin cells and the vellus hairs, resulting in immediately softer and brighter skin. Includes cleansing, dermaplane, and finishing products tailored to your skins specific needs.

Micro-needling \$250

Micro-needling is a collagen induction treatment that stimulates the body's immune response, by creating micro channels in the skin.

Relaxing Back Treatment \$125

Includes a skin analysis, cleansing, enzyme, exfoliating treatment, extractions if needed, relaxing back massage, targeted masking treatment and finishing products, tailored to suit skins specific needs.

Add-ons:

Cryo-globes - \$10

Jade Roller - \$10

GuaSha Stone - \$10
