If you prefer to withdraw your student during the summer months, this may hinder their chance to re-enroll in the fall. IqM is unable to hold a child's spot due to the number of families in our waiting pool. Tuition would need to continue to be paid to hold their spot.

*"Children are human beings to whom respect is due, superior to us by reason of their innocence and of the greater possibilities of their future. Let us treat them with all the kindness which we would wish to help to develop in them."*  
-Maria Montessori
