**Let's DANCE!!**

Dance 2 Make A Difference (D2MAD), was created with the sole purpose of inspiring and motivating the youth of the community to use the art of dance as a form of self-expression. A tool to teach basic life skills such as positive thinking, teamwork, promoting unity, diversity and discipline. We encourage artistic expression using music and movement through out their lives. Thanks to the California Arts Council and the LA County Arts & Culture we are able to offer this program for FREE.
