## About Me

My name is Greg Lasseigne, and I'm a "breath of fresh air." Just about everywhere, I've ever worked, at least one person has used that phrase to pay me a compliment (and they all used the same phrase... uncanny, I know.) I strive to learn more every day while allowing my curiosuty to lead the way. I believe creativity and communication are the strongholds to any company and team. Allow me to be a part of your team, and we can take on any challenge as long as we always remember to breathe.
