

Kazka Dance Collective 2024-2025 Class
Schedule

How do I know which classes to register for?

Dance Exploration - Children aged 3 to participate with one parent from Sept-Dec and alone from Jan-May

Storybook Ballet - Pre-School

Primary – Kindergarten

Junior 1 – Grade 1

Junior 2 – Grade 2

Junior 3 – Grade 3

Junior 4 – Grade 4

Intermediate 1 – Grade 5 and 6

Intermediate 2 – Grade 7 to 9

Senior – Grade 10 and up

Important things to notice:

- Some classes are combined due to level of interest in the past.
- Intermediate 2/Senior have an additional combined ballet class on Friday. If your child is interested in POINTE they must register for both their own class and this additional Friday class. The option to take pointe is based on invitation only due to the structural requirements of the ankle and foot. Those who took pointe last year will have their own class with Kristina, while those that are new to pointe will have their own class with Daria. Both take place on Friday at 6:15 after their ballet class. New students will purchase pointe shoes in November as the year will begin with strength training.
- Lyrical has been added for Junior 4 and Intermediate 1 as a separate class. Lyrical will be incorporated into Intermediate 2 and Senior Jazz.
- Classes are capped at 16 upstairs and 10 in the basement.
- Waitlists will be taken, and additional classes will be created if the schedule allows.
- Kazka Dance Collective reserves the right to change or cancel the days and times of classes up until September 30, 2024.
