PrecisionCore Print Head Technology

Extreme Print Quality and Precision

- Capable of high resolution printing – up to 2880 dpi⁵
- Precision ink drop control for outstanding clarity and sharpness
- Extreme accuracy - variable size droplets as small as 3.5 picoliters

Commercial Grade Reliability

- Designed to last the life of the printer - print head is not a consumable
- Nozzle Verification Technology (NVT) – automatically detects nozzle condition and adjusts if clogged
- Ink repelling coating reduces the chance of a nozzle clog

Epson UltraChrome® Ink

- All pigment based
- Water, smudge, and fade resistant

OPTIONS

Expand Functionality as Your Business Grows

320 GB Internal Print Server HDD

- Enables a print job to immediately transfer from the computer to the printer, freeing up your network and computers.
- Allows for the computer to be turned off, and, enables reprints of jobs directly from the printer control panel without using a computer.

True Adobe® Postscript 3™

- Supports Hot-Folder batch printing, secure PDF printing, job reprinting and easily integrates into the most complex printing workflows.
- Option includes a 320 GB Hard Drive which frees up network and workstation bandwidth.

SureColor T5270 | T7270 | T5270D | T7270D

Professional
Imaging

MULTIFUNCTION OPTIONS

36" CIS Scanner and Copier Module

- Module integrates 36" scanning and copying capability to hardware and printer control panel
- Scan thin newspaper up to 1.3mm thick rigid media. Captures fine color detail at up to 600 dpi
- Copy and share scanned images between workgroups via Shared Folders or E-Mail
- Includes 320GB Hard drive module

PRINT. COPY. SCAN. SHARE.

SureColor T-Series Advanced Features

Professional
Imaging

BorderFree Printing

– Four-sided Borderless Printing – Top and bottom edges trimmed with Built-in Cutter (all printers except SureColor T2170/T3170/T3170x/T5170)

PosterBoard Printing

– Front-in Front-out board path for printing up to 1.5 mm thick posterboard (SureColor T3270/5270/7270 only)

SureColor Advanced Software

Professional
Imaging

The screenshot displays the Epson SureColor Advanced Software interface. At the top, it shows printer information for an EPSON SC P20000 Series. Below this, there are navigation tabs for 'Print Setup', 'References', and 'Print Data'. A search bar and 'Filter Settings' are also visible. The main area contains a table of print jobs for the period 1/1/2017 - 12/31/2017. The table columns include Job Name, Total Cost, Media Type, Media Usage, Ink Usage, Completion, User Name, and Job Status. A 'Summary of Selected Period' table is located at the bottom left, and a 'Selected Period' section is at the bottom right.

Job Name	Total Cost	Media Type	Media Usage	Ink Usage	Completion	User Name	Job Status
