### School Activities Permission

During the course of the school year, all classes undertake a variety of different activities both on and off the school premises. These include, but may not be limited to, dancing, gymnastics, visits by other external teachers/coaches, basketball, athletics, nature walks, village trails, rehearsals for Christmas Play, school tours, history/educational tours, swimming and any other activities that may arise.

Attached is a consent form to cover all the different activities which arise during the school year. If an unusual event occurs the school may look for additional permission but it is envisaged that this permission form will cover most events which take place in a normal school year.

Please fill in the attached Consent Form and return to your child's teacher as soon as possible. This document will be kept on file for as long your child remains on the roll of Johnswell National School and will cover school activities for the duration of this time. You have the right to withdraw your consent at any time in the future. Also, in general, you will be notified of upcoming activities and have the right to withdraw permission for specific activities. In such cases the school will require confirmation in writing.
