D9, G (add A)/D, Gm, D

D, D7 (add B), G/D, D

How could I make you see tears that were
never shed?

D, D7 (add B), G/D, D

But, Mother, he came to me while I lay on my
bed

C (add D)

Peacefully sleeping

G6/B

Then he came weeping

G, D/F#

Begging for me to warn you

D9, G (add A)/D, Gm, D

"Don't let her come where this torment is
near

D9, G (add A)/D, Gm, D

I love her too much to let her come here"

D, D7 (add B), G/D, D

What if it's just a dream bouncing around my
brain?

D, D7 (add B), G/D, D

No need to cause a scene or make
fundamental change

C (add D)

In your behavior

G6/B

Or long for a savior

G, D/F#

I'm sure that it's just a story

D9, G (add A)/D, Gm, D

Meant to delude all the masses to flee

D9, G (add A)/D, Gm, D

Herded like lemmings, they leap to the sea

D, D7 (add B), G/D, D

But if it's really true, why could you take the
chance?

D, D7 (add B), G/D, D

Confess what you need to do, join in this joyful
dance

C (add D)

Playfully singing

G6/B

Church bells a-ringing

G, D/F#

Smiles all around the throne room

D9, G (add A)/D, Gm, D

"Well done, My servant, come meet your
friends

D9, G (add A)/D, Gm, D

Here where the wonder never will end"

D, D7 (add B)
