words and music by David Gustafson

Won't Be Lonely No More

E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
B7 (add G#), A7 (add F#)
E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
Well Lordy Lord, You know I've been lonely
E, E7, E (add C#, F#), E (add C, F)
You know that I've been lonely for sure
B7 (add G#)
But You know I won't be lonely
A7 (add F#)
I won't be lonely no more
E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
Well Lord, I gave her all of Your money
E, E7, E (add C#, F#), E (add C, F)
But all she done was do me so bad
B7 (add G#)
But You know You do me better
A7 (add F#)
The best I ever had
E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
Well Lordy Lord, You know I've been lonely
E, E7, E (add C#, F#), E (add C, F)
And that is why I'm singing this song
B7 (add G#)
But You know I won't be lonely
A7 (add F#)
I won't be lonely for long
E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
Well Lord, You know I begged her to stay here
E, E7, E (add C#, F#), E (add C, F)
But all she done was leave me so cold
B7 (add G#)
But she'll be begging me to come back
A7 (add F#)
When I'm bagging the gold

E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
Well Lordy Lord, You know I've been lonely
E, E7, E (add C#, F#), E (add C, F)
No wonder that I'm feeling so down
B7 (add G#)
But You know the tide is turning
A7 (add F#)
The tide is turning around
E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
Well Lord, You know the battle I'm fighting
E, E7, E (add C#, F#), E (add C, F)
You know the one who wants me to lose
B7 (add G#)
But You know he's been defeated
A7 (add F#)
The victory's mine if I choose
E, E7, E (add C#, F#), E (add C, F)
E, E7, E (add C#, F#), E (add C, F)
Well Lordy Lord, You know I've been lonely
E, E7, E (add C#, F#), E (add C, F)
You know that I've been lonely for sure
B7 (add G#)
But You know I won't be lonely
A7 (add F#)
I won't be lonely no more
E, E7, E (add C#, F#), E (add C, F)
B7 (add G#)
I know I won't be lonely
A7 (add F#)
I won't be lonely no more
E, E7, E (add C#, F#), E (add C, F)
damped staccato strum near 12th fret
