

Incredible

A7, E7

God is love, He gives light

D7/F#, A

Eternal life for us

A7, E7

We were lost, dead as night

D7/F#, A

Alive now in Jesus

A, E

It's just incredible how He loves

E, A

Despite the wickedness in my heart

A, E

It's unbelievable how He knows

E, A

My words before they are even thought

A, Bm

It's like a miracle when He shines

Bm, F#m

His truth inside of my broken soul

F#m, E

Illuminating my darkened mind

E, A

What once was shattered is now made whole

A, D

He's just a comfort that never fades

D, F#m

Despite the doubt that invades my flesh

F#m, E

There's no comparing to how He saves

E, A

I'm just exceedingly over-blessed

E/A, D (add E)/A, A

His truth shines

C/A, A

Through the darkness all around

A, A7, E7

The true God is ours, we are His

D7/F#, A

He's our solid rock

A7, E7

Worldly lies, and godless myths

D7/F#, A

It's all just idle talk

A, E

It's just incredible how His word

E, A

Submerges all of the other sound

A, E

Replacing everything I have heard

E, A

With truth that's built on His solid ground

A, Bm

And when He came as the blessed Son

Bm, F#m

To live out all of the Father's will

F#m, E

The gruesome purpose for why He'd come

E, A

To bear His cross up that holy hill

A, D

His heart forgiving until the end

D, F#m

Not bitter ever that they could see

F#m, E

It's just amazing the Lord would send

E, A

His Son to die for a wretch like me

E/A, D (add E)/A, A

On that cross

C/A, A

Death was banished evermore

E/A, D (add E)/A, A

He gave life

C/A, A

To sinners such as us

E/A, D (add E)/A, A

And one day

C/A, A

He will gather all His own

E/A, D (add E)/A, A

To that place

C/A, A

For all who overcome

A, A7, E7

Our great God is love, He gives light

D7/F#, A

Eternal life for us

A7, E7

We were lost, dead as night

D7/F#, A

Alive now in Jesus
