

Goin' up to Zion

E7 (add F), Am, F, Am

It's been a long, cold, lonesome road

G, Am, F, Am

And the wind tears at my coat

G, Am, F, C, E

There's a lump that's in my throat

Am, Fmaj7/C

Over You

Am

Over You

E7 (add F), Am, F, Am

Should have known it from the start

G, Am, F, Am

That this pain would stab my heart

G, Am, F, C, E

Every day that we're apart

Am, Fmaj7/C

I cry for You

Am

I cry for You

E7 (add F), Am, F, Am

In a doomed and broken world

G, Am, F, Am

With the flag of sin unfurled

G, Am, F, C, E

And the words of hate are hurled

Am, Fmaj7/C

All at You

Am

All at You

E7 (add F), Am, F, Am

Yet You strove on just the same

G, Am, F, Am

In Your Father's Holy Name

G, Am, F, C, E

As He poured our guilt and shame

Am, Fmaj7/C

All on You

All on You

E7 (add F), Am, F, Am

But we're goin' up to Zion

G, Am, F, Am

Where there'll be no more cryin'

G, Am, F, C, E

When the Lamb lies with the Lion

Am, Fmaj7/C

There with You

Am, E7 (add F)

There with You

Am, F, Am

There with You
