

My Life is a Mess

C (add D), G, Am (add D), G/B

C (add D), G, Am (add D), G/B

C (add D), G

Oh my Lord, I confess

Am (add D), G/B

That my life is a mess

C (add D), G

That my mind is beset

Am (add D), G/B

By the pangs of regret

D7, G, F, C

Only in You does it make any sense

D7, G, F, C

You saved my life when You made
recompense

G

For me

D, D7

And my sin

C (add D), G

In my drive for success

Am (add D), G/B

Lord, please help me suppress

C (add D), G

These dark thoughts in my head

Am (add D), G/B

From a past that is dead

D7, G, F, C

Only in You can I rise up above

D7, G, F, C

All of this lust and replace it with love

G

For You

D, D7

And Your truth

C (add D), G

Help me never forget

Am (add D), G/B

How it felt when we met

C (add D), G

You brought life out of death

Am (add D), G/B

With the touch of Your breath

D7, G, F, C

Only in You am I truly alive

D7, G, F, C

You give me strength that I need to survive

G

This world

D, D7

And its sin

C (add D), G, Am (add D), G/B

C (add D), G, Am (add D), G/B

C (add D), G

Our dear Lord, we confess

Am (add D), G/B

That our lives are a mess

C (add D), G

That our minds are beset

Am (add D), G/B

By the pangs of regret

D7, G, F, C

Only in You does it make any sense

D7, G, F, C

You saved our lives when You made
recompense

G

For us

D, D7, G

On the cross
