

How Ancient

D#,F#aug/D#

Gm

How ancient

Gm/F, Cm

From the fifth day

Gdim, D#

Heron's wings beating the air

F#aug/D#, Gm

Gliding away

Gm

Impatient

Gm/F, Cm

Filled with dismay

Gdim, D#

This broken heart beats alone

F#aug/D#, Gm

Too torn to pray

Cm, Cm/A#, D7/A

How ancient all of this seems

Gm, Gm/F, A7/E

Yet how new, haunting my dreams

Cm7, Cm

And with every revelation

D,F#6/C

There is everlasting truth

Gm

Temptation

Gm/F, Cm

Taunts in this place

Gdim, D#

Here in this cavernous tomb

F#aug/D#, Gm

Leaving no trace

Gm

Salvation

Gm/F, Cm

Offered with grace

Gdim, D#

Shattering all of this gloom

F#aug/D#, Gm

Filling all space

Cm, Cm/A#, D7/A

How ancient all of this seems

Gm, Gm/F, A7/E

Yet how new, haunting my dreams

Cm7, Cm

And with every revelation

D,F#6/C

There is everlasting truth

Gm

Then Jesus

Gm/F, Cm

Enters our sphere

Gdim, D#

Comforting me in my grief

F#aug/D#, Gm

Drawing me near

Gm

He pleases

Gm/F, Cm

Whispers I hear

Gdim, D#

Banishing my every care

F#aug/D#, Gm

Whom shall I fear?

Cm, Cm/A#, D7/A

How ancient all of this seems

Gm, Gm/F, A7/E

Yet how new, haunting my dreams

Cm7, Cm

And with every revelation

D,F#6/C

There is everlasting truth

Gm

Perfection

Gm/F, Cm

Triune and true

Gdim, D#

Chaos is showered with light

F#aug/D#, Gm

Darkness shot through

Gm

Election

Gm/F, Cm

Of me and you

Gdim, D#

Doctrine beyond all our thought

F#aug/D#, Gm

Mysteries new

F#aug/D#, Gm

Mysteries new

F#aug/D#, Gm, G

Mysteries new
