Am, Am/C, D9/F#,Am/G,Am

Am/G,Am

Am

Well it won't be fun

Am/C

And it won't feel fine

D9/F#

And there won't be few

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

Am

You can gasp for air

Am/C

But there's nothing there

D9/F#

For words to do

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

Am

You can grab your stash

Am/C

And your pile of cash

D9/F#

But they're both no use

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

Am

And you won't get far

Am/C

With your credit card

D9/F#

'Cause it won't go through

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

break

Am, Am/G, Am6/D,Am/D

G6/D,Am

Well there's just one Name

Am/C

That can quench the flame

D9/F#

Which erupts in blue

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

Am

He's the only One

Am/C

Who has overcome

D9/F#

To make all things new

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

Am

So if you confess

Am/C

That you're in a mess

D9/F#

He will vouch for you

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

Am

Jesus paid the price

Am/C

With His precious life

D9/F#

And His coin is true

Am/G,Am

When the bill comes due

Am/G,Am

When the bill comes due

break

Am, Am/G, Am6/D,Am/D

G6/D,Am

Am, Am/G, Am6/D,Am/D

G6/D,Am

G6/D,Am

A

You'll behold His face

C

And His shining grace

D9/F#

Will envelope you
