submitted by your organization.

Apply for a new operational permit
Adoption/Foster Care, Day Care, Fireworks Display, Fireworks Stand, Open Burning, &
Tents

Request an initial inspection
For a re-inspection, select an inspection type

5 Permit Type: Select the "Operational - Daycare In-Home"

The screenshot shows the 'Operational Permit Application' form. At the top, there is a red header bar with a 'Property Search' input field and a user profile icon labeled 'Victor'. Below the header, a breadcrumb trail reads 'Home > Operational Permit Application'. The main title 'Operational Permit Application' is centered. The 'Permit Type' dropdown menu is open, showing 'Operational - Daycare In-Home' as the selected option, which is highlighted by an orange circle. Below this, the 'Permit Location' section contains a 'Property Name' field with a placeholder 'If no business name, enter Vacant Lot, Residential Lot, etc'. The 'Street Number' and 'Street Name' fields are empty. The 'Additional Email Addresses' section includes a text area with the email 'islasv208@gmail.com' and three example addresses: 'example1@email.com', 'example2@email.com', and 'example3@email.com'.

6 Complete Permit Location

This screenshot shows the same 'Operational Permit Application' form as in step 5. The 'Permit Type' dropdown remains set to 'Operational - Daycare In-Home'. The 'Permit Location' section, which includes the 'Property Name', 'Street Number', and 'Street Name' fields, is now highlighted by an orange circle, indicating the next step in the process. The 'Additional Email Addresses' section remains unchanged, showing the same email addresses.

7

In the note section type in a few dates and times you are available for the inspection.

Street Number * Street Name *
