### CONGRATULATIONS

to the

### HARVEYS LAKE PROTECTIVE ASSOCIATION

on their 100<sup>th</sup> year anniversary  
1919 — 2019

This organization founded in 1919 was started by a group of businessmen to better the community. They started the Police Dept. and hired the first Police Chief, then funded it for many years. They also started the Fire Dept. In 1922 and eventually purchased its first fire engine. Their projects and accomplishments are too numerous to list here, however this community service organization has been instrumental in the protection and beautification of the Lake and surrounding area for all the residents.

Let us all wish them well in their next 100 years of community service.
