

Our records about are incomplete.

Dear

Our file records concerning you are incomplete.

You see, we haven't heard from you concerning our 2025 Harveys Lake Area Fundraising Drive Appeal.

Perhaps you've overlooked previous appeals. Or, maybe no one has contacted you yet. But we need your help as never before. Police across the nation are under attack by the news media, soft-on-crime politicians, and criminal rights groups like the ACLU and George Soros Open Society Foundation.

So -- please -- use the attached Reply Form to let us know -- YES or NO -- if we can count on your gift of \$15, \$25, \$50 or more to support our law enforcement officers in our 2025 Harveys Lake Area Fundraising Drive Appeal.

Many of your friends and neighbors in the Harveys Lake Area have already donated to help support the National Police Association (NPA).

So please join your neighbors by checking the YES box on the attached Reply Form and returning it along with your gift of \$15, \$25 or more.

Your gift will be put to work immediately in our efforts to support our police and the sensible law enforcement practices needed to protect our communities.

So please, let us hear from you today.

Sincerely,

Eddie Hutchison, President & CEO

P.S. DON'T FORGET: Please check either the YES or NO box on the attached Reply Form and return your Form in the enclosed postage paid envelope. Thank you.

Keeping Your Home Safe While On Vacation

Going on vacation can be hectic, but having a checklist can ensure a smooth and safe trip. Your checklist can include remembering your toothbrush, unplugging appliances, and securing your home. Here are some ideas you can add to that checklist to make your home a little safer while you're gone:

- Keep your doorstep clean by putting a hold on mail and newspaper delivery.
- Have a friend or neighbor remove leaflets and flyers from your door.
- Keep the grass in the front and side yards neat and trimmed.
- Tell family members & trusted neighbors your travel plans.
- Install light timers for your indoor and outdoor lights.
- Don't leave status updates on Facebook or Twitter saying you're out of town. Wait until you get home to upload pictures of all the fun you had.
- Install motion-activated security cameras that let you monitor your home with your smartphone.
