Payments

Patients are encouraged to pay the full amount at the time of consultation.

- If you hold a Medicare card, the full fee must be paid at the time of consultation
- If you do not hold a Medicare card, you must pay the account in full on the day of consultation. A receipt will be issued so you can claim a refund through your health insurance

Other fees

Work Medicals, Commercial Drivers and Taxi Licences and Travel Insurance reports are not covered by Medicare. Patients must made payment prior to the release of these documents.

All procedures attracts a minimum fee of \$30-\$85 depending on the complexity and the time required for the procedure. Please discuss the fees with your doctor prior to your procedure.

Mental Health Care Plans attract a gap payment even if you are normally bulk billed.

Privacy Policy

When you register as a patient of our practice, you provide consent for our GPs and practice staff to access and use your personal information so they can provide you with the best possible healthcare. Only staff who need to see your personal information will have access to it. If we need to use your information for anything else, we will seek additional consent from you to do this.

We collect your personal information when you visit our website, send us an email or SMS, telephone us, make an online appointment or communicate with us using social media.

We sometimes share your personal information:

- with third parties who work with our practice for business purposes, such as accreditation agencies or information technology providers – these third parties are required to comply with APPs and this policy
- with other healthcare providers
- when it is required or authorised by law (eg court subpoenas)
- when it is necessary to lessen or prevent a serious threat to a patient's life, health or safety or public health or safety, or it is impractical to obtain the patient's consent
- to assist in locating a missing person
- to establish, exercise or defend an equitable claim
- for the purpose of confidential dispute resolution process
- when there is a statutory requirement to share certain personal information (eg some diseases require mandatory notification)
- during the course of providing medical services, through eTP, e-script, My Health Record (eg via Shared Health Summary, Event Summary).

Only people who need to access your information will be able to do so. Other than in the course of providing medical services or as otherwise described in this policy, our practice will not share personal information with any third party without your consent.
