Packing List For Bartlesville Stake YW Camp

If you have prescriptions that need to be handed out each day by the nurse, make sure all bottles are clearly labeled. The camp nurse will not be allowed to issue any medications unless it has an original medication prescription label with the girl's name, dosage, doctor, and prescription number. If your daughter needs over the counter items (aspirin, Tylenol, cough drops, allergy medication, etc) that she wants the nurse to be in charge of at camp, please mark clearly on a bag with her name and dosage. If you feel your daughter can keep these items with her to take when needed, then feel free to pack those items with her. You just need to make sure the bags are clearly labeled.
