

Hey Vern Token (HVN) Whitepaper

1. Introduction

Hey Vern Token (HVN) is a community-driven cryptocurrency inspired by the humor and legacy of the iconic Ernest P. Worrell character. HVN blends the entertainment value of meme tokens with a sustainable ecosystem built on staking, community rewards, and strategic partnerships.

2. Vision & Mission

Vision: To become a cultural icon in the crypto space by combining nostalgia, community engagement, and long-term sustainability.

Mission: Build a strong community foundation with transparent tokenomics, incentivize holders with staking and rewards, and expand HVN utility through partnerships, NFTs, and real-world integrations.

3. Total Supply & Tokenomics

Total Supply: 10,000,000,000 HVN

Allocation	Percentage	Tokens (HVN)	Purpose
Presale	25%	2,500,000,000	Public presale on PinkSale to raise development funds
Liquidity Pool	25%	2,500,000,000	Locked on DEX to ensure stable trading
Community (Rewards, Staking, Airdrops)	25%	2,500,000,000	Rewards for staking, airdrops, and community events
Marketing & Partnerships	15%	1,500,000,000	Fund influencer campaigns, partnerships, and marketing
Development & Treasury	10%	1,000,000,000	Future development, exchange listings, and treasury

4. Presale Details

Platform: PinkSale Finance

Chain: Polygon (MATIC)

Presale Allocation: 2.5B HVN (25% of total supply)

Target Raise: \$1,000,000 (~4,000,000 MATIC at \$0.25/MATIC)

Presale Rate: ~1 MATIC = 625 tokens (example, adjustable based on final raise goal)

Listing Rate: +5% higher than presale to reward early buyers

Liquidity Lock: 50% of raised MATIC will be locked into liquidity with HVN tokens.

5. Utility & Use Cases

HVN is not just a meme — it's a growing ecosystem:

1. Staking & Rewards

2. NFTs & Collectibles
3. Community Governance
4. Merchandise Integration
5. Play-to-Earn Games

6. Roadmap

Phase 1 – Launch: Token creation, presale, DEX liquidity, initial marketing

Phase 2 – Community Expansion: airdrops, staking, meme contests, partnerships

Phase 3 – Ecosystem Growth: NFT collection, merchandise, CEX listings, play-to-earn demo

Phase 4 – Long-Term Scaling: governance platform, cross-chain, entertainment partnerships, treasury growth

7. Vesting & Lock Schedule

Category	Cliff	Vesting Schedule
