

FAQ.

1

What's included in each walk-up intro?

Every intro includes:

- ✓ Player Name
- ✓ Jersey Number & Team Name
- ✓ Music of your choice (clean edit)
- ✓ Hype Voiceover
- ✓ Delivered in high-quality MP3/WAV format

2

How long are the intros?

Most are between 15–30 seconds long. If you need a specific duration to match your field's system or preference, just let us know.

3

How fast is your turnaround time?

I pride myself on fast turnaround—typically 24 to 72 hours depending on the size of your order and current demand. Rush delivery is available!

4

Can I use any song I want?

Absolutely! As long as it's clean or radio-edit ready. If you're unsure, we'll help clean it up or suggest a substitute with the same vibe. I carry remixes, mash up's, redrums, and blends of all hits. I can even create them to your preference.

5

Can we include Spanish/Spanglish or bilingual hype?

¡Claro que sí! I specialize in bilingual and Tejano-style intros—perfect for teams that want to stand out with cultura and sabor.

6

Do you offer team or bulk discounts?

Yes! We offer discounted packages for full teams, tournaments, and leagues. Reach out for a custom quote.

7

What do you need from me to get started?

Just a few quick things:

- Player name, number, and team, - Song title and artist, I'll send you a short form to make it super easy

8

How will I receive my audio?

You'll get an accessible Google Drive folder with downloadable MP3 and WAV — ready to drop into your DJ system, scoreboard, or playback app. Fully tagged with details. Ex; **"Number - Last Name - Song Desc - Date"**

9

Do you do intros for other sports or events?

Definitely! I can create hype intros for softball, football, basketball, wrestling, or even school events, birthdays, and special announcements.

10

I heard a sample on your social—can I get one like that?

For sure. Just let us know which style or voiceover caught your ear. We'll tailor yours to match that energy or go even harder.
