

# The Cannabis Kiosk

## Boost in-store cannabis sales by adding it to your team

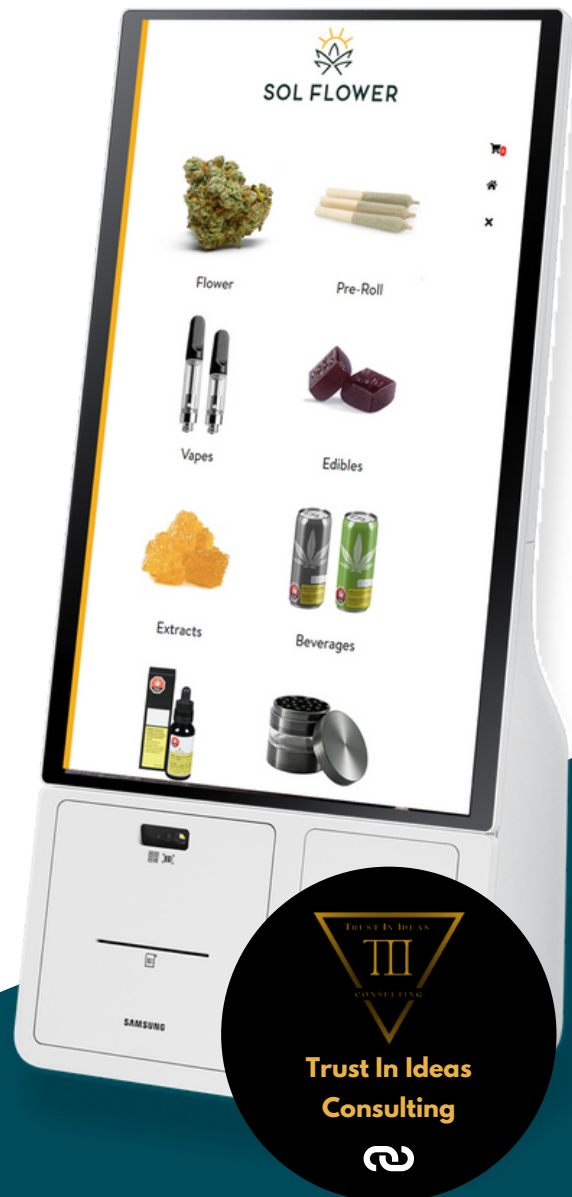

Our interactive kiosk, is custom-built for Cannabis retailers to streamline the shopping experience. Shoppers can browse your product catalog, add items to their cart, and make purchases without waiting in line. This kiosk seamlessly integrates with your POS to help boost sales-per-visit. A cost-effective alternative to traditional staffing that acts as a highly effective sales rep.

### Boost your bottom line

Now allows you to service more customers with less staff. With reduced staffing hours equivalent to one full-time hire, the annual ROI of the kiosk is over **757%**
