## mystery readers

I would like to invite any parents, older siblings, grandparents or other special people to surprise your child by being a “Mystery Reader” in our classroom. Students love having their family and relatives visit our classroom to share in our learning by reading a favorite story aloud to our class. Readers are asked to bring a favorite book to read aloud. If you can find a date that works for you, please sign up to be a Mystery Reader.

A SignUpGenius link will be shared via Brightwheel. Please use that link to sign up. Reading times are listed as well but if you'd like to read and cannot make the designated time work, please reach out to me via email and I am sure we can find a different time that day.

Once you have signed up, please email me three clues about yourself. I will be sharing these clues before your arrival to see if our students can guess who will be making an appearance. When arriving for your reading time, please wait in our preschool office until we are ready for you.

Remember, you are a mystery to the class so try not to tell your child when you will be coming! Thank you for supporting our love of reading!
