- Minutes: The minutes from our November meeting were emailed to all members last month and posted on the club website. Approved by membership.
- Treasurer Report: Presented our financial reports. Approved by membership. There is a P&L statement posted on the bulletin board each month.
 - o November beginning balance: \$25,248.01. November ending balance: \$24,978.78. Reviewed income and expense categories.
- New Business
 - o New rubber walkway – Thanks to those who helped install the new walkway. The purpose of the walkway is to make our flightline more handicap accessible. It is installed for wheelchair use. It “IS NOT” to be used as a taxiway out to the runway. Doing so means you are running an engine/motor in the pits...which is prohibited. Please, just pick up your plane and carry it to the runway as we have always done in the past.
 - o Club Swap Meet – The swap meet was a success. We’ll consider another one sometime in calendar 2025.
 - o Wings Over Flagler – We don’t have a definitive date currently. We will coordinate our annual “Come Fly With Us’ event the following weekend.
 - o Shed Project: We’re looking into a 12 x 12 shed design that will be used solely for the mowers and maintenance equipment. Planning to meet with the county soon to have them put down a concrete slab for the shed.
 - o Club Dues – Club dues are “due” currently. They should be paid no later than 12.31.24. If you have not paid by the new year, please refrain from flying until you have signed up.
 - o Adjourned: 9:16 am
