# **VIRTUAL MEETINGS**

During this time of uncertainty we would like to encourage all leaders to continue with club meetings virtually. Even if it is a quick check in with members. 4-H can be the only consistent thing the youth have to look forward to at this time. We as an organization make a huge impact on their lives and can continue to do so during this time of isolation.

**Zoom** is an intuitive online video conferencing tool that can be used on laptops, tablets, and smartphones. It's a great way to bring real-time, face-to-face connections to virtual experiences—including virtual 4-H club meetings.

- If you would like to hold a virtual 4-H meeting for 40 minutes or less, you can use a free personal Zoom account.
