

1967 International Harvester Scout 800

Our latest offering is this surf-inspired 1967 Scout 800 in Aspen green metallic, priced at \$115,000. Powered by a small block V8 and 5-speed manual transmission, this vintage roadster features Dana 44 axles, power steering, power brakes, custom upholstery, new gauges and upgraded suspension. It's a powerful, capable cruiser on or off-road and a tasteful mix of vintage charm and modern reliability, safety and performance.
