Have you ever wondered if the stories you've been told are the stories that really happened?

Could they be a version told to you by someone who thinks they know, but all the facts aren't there?

So, what would happen if you could travel back in time and witness those same stories as they unfold before your very eyes?

My name's Krunk, and I'm going to show you the truth...

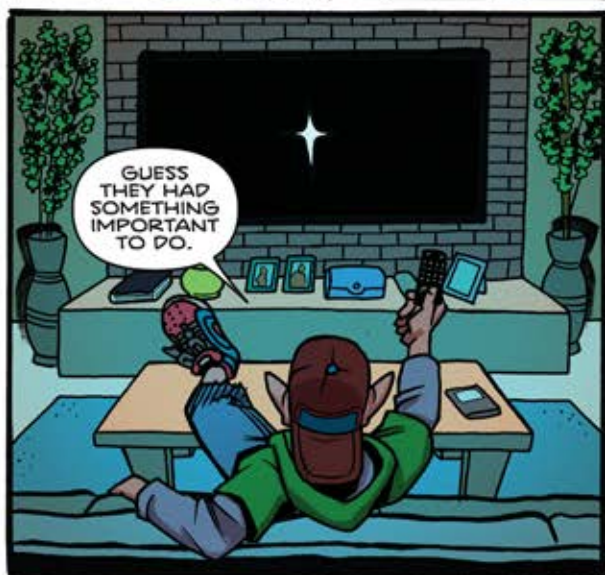

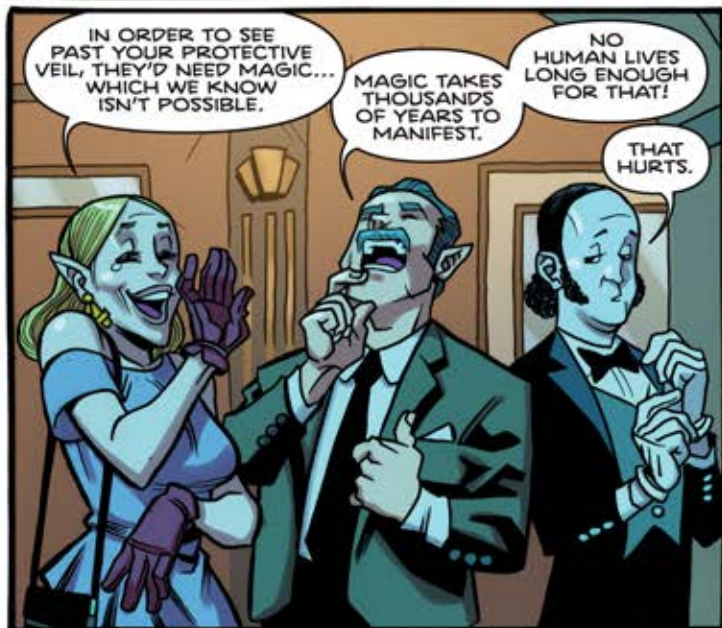

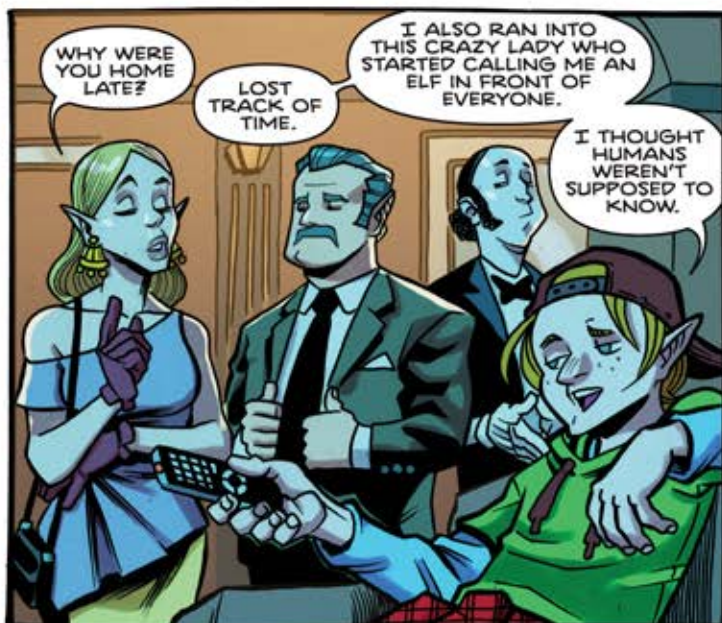

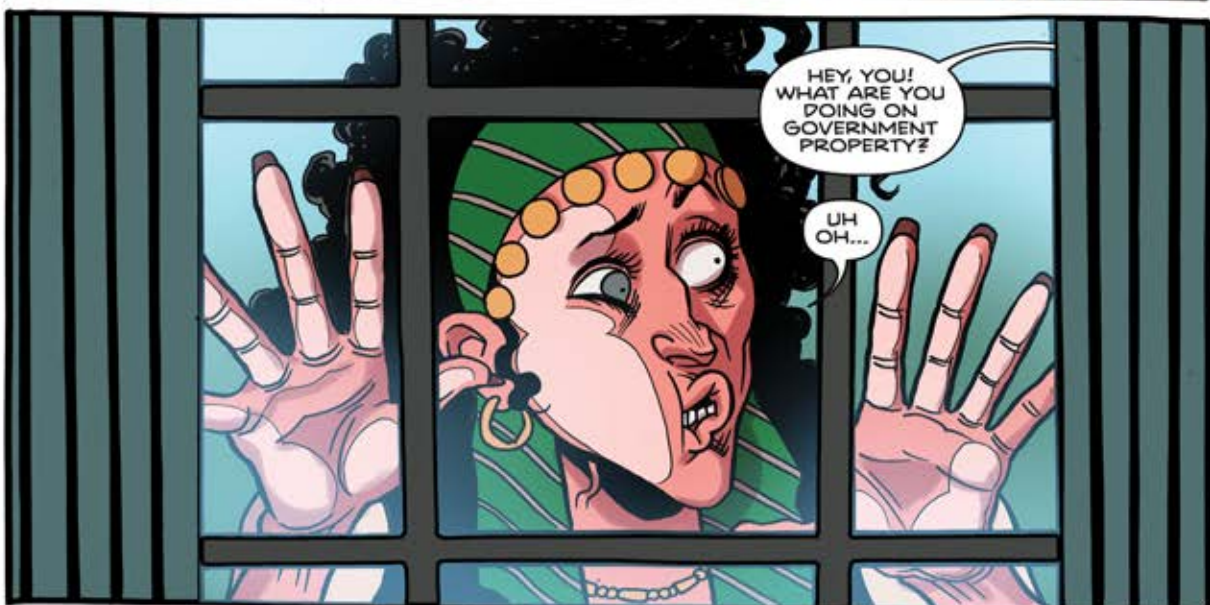

YES...I'D LIKE TO REPORT AN INTRUSION.

KRUNK, COULD YOU JOIN YOUR FATHER AND ME?

SURE... I GUESS.

HEY, YOU! WHAT ARE YOU DOING ON GOVERNMENT PROPERTY?

UH OH....

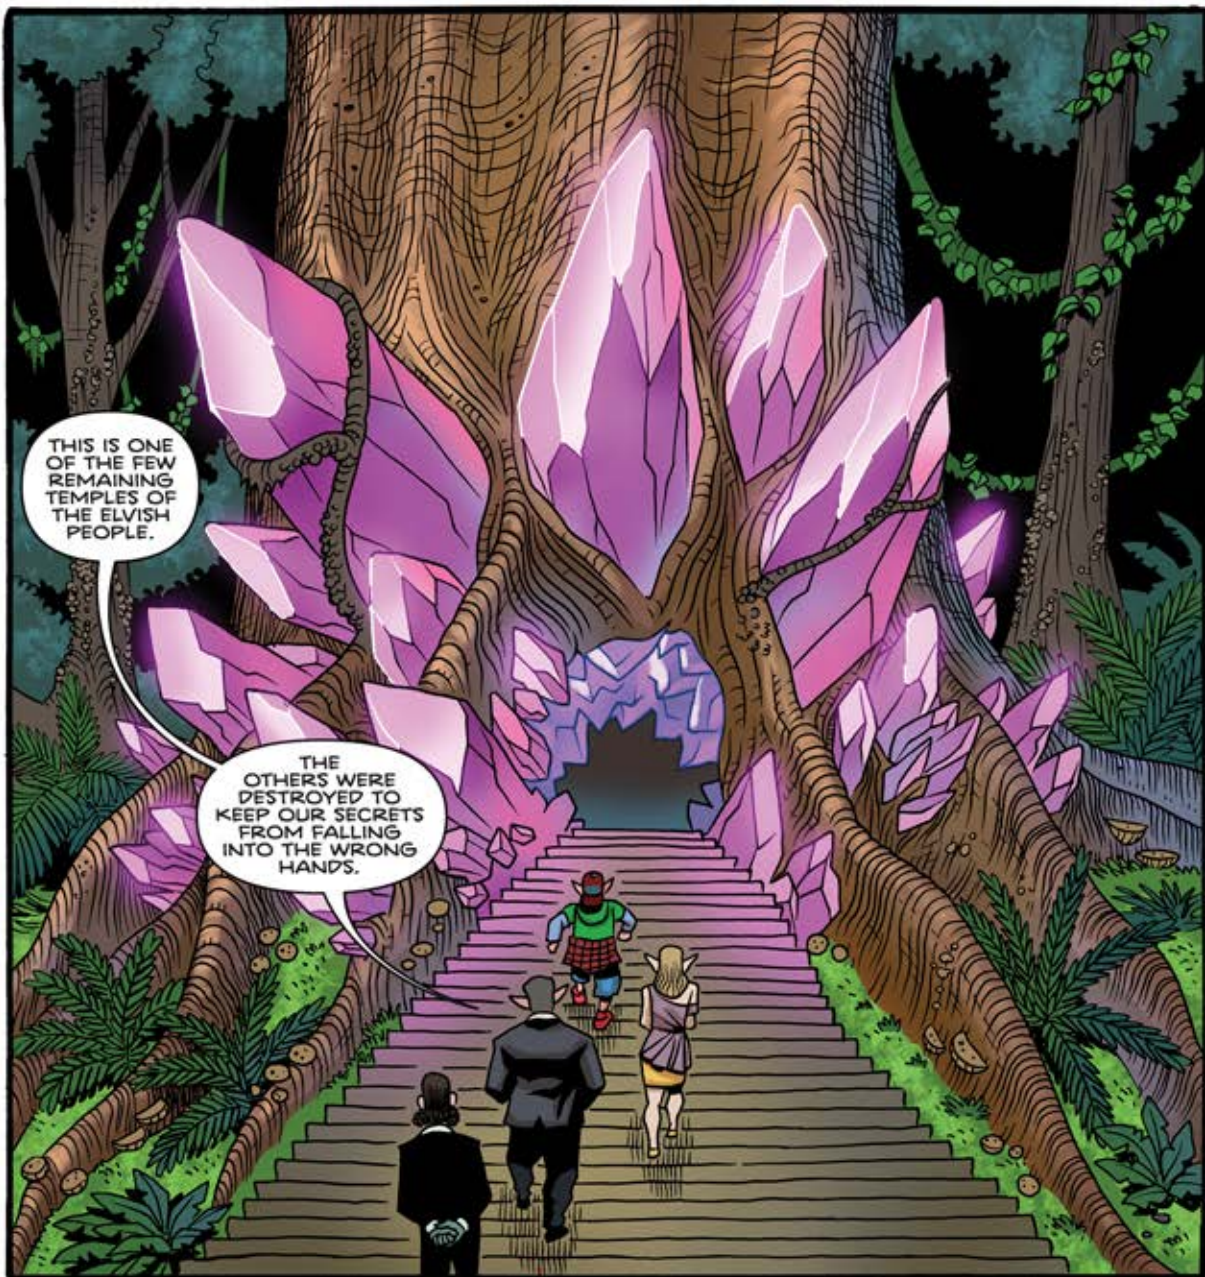

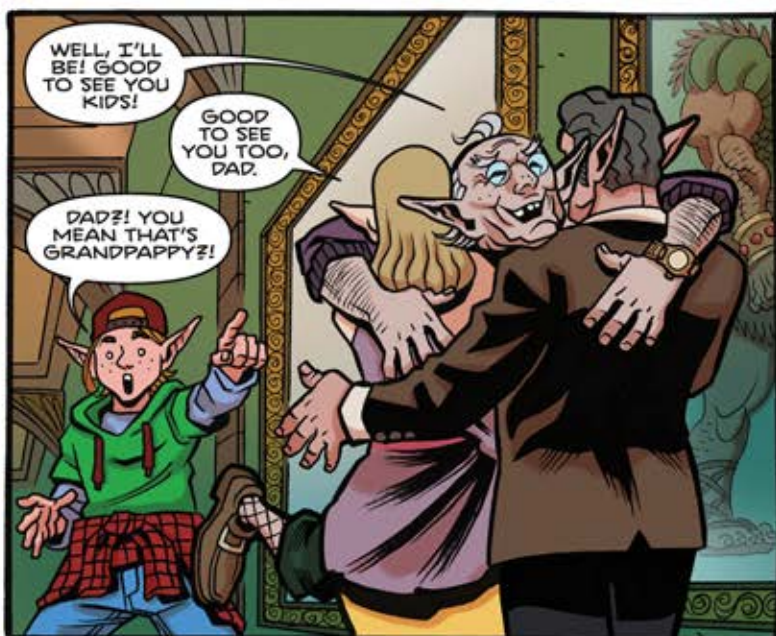

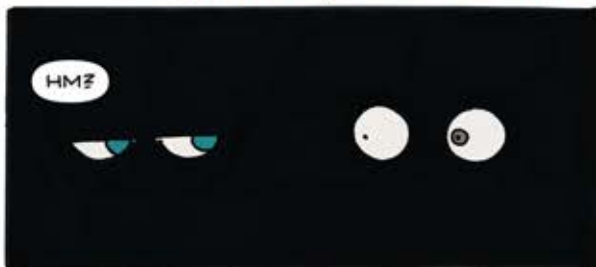

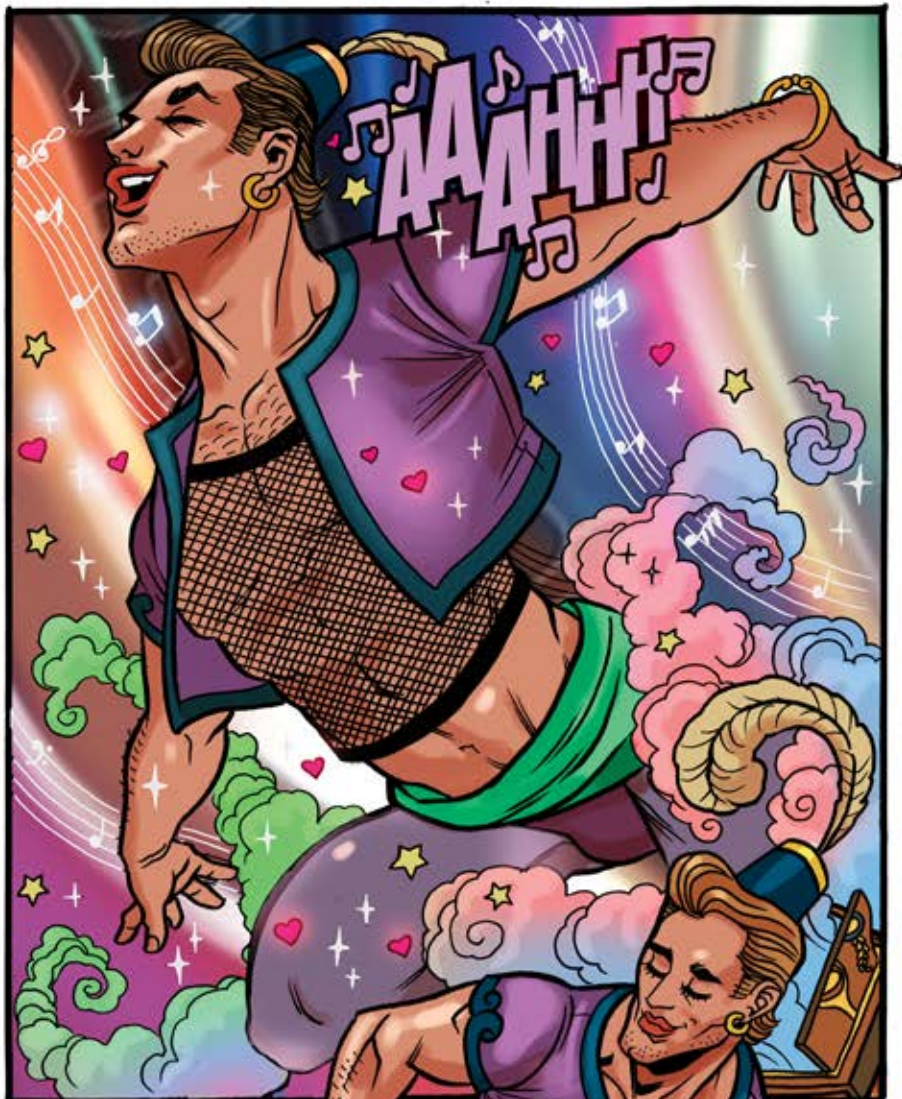

WOOOSH

Woosh

## WHAT IS THE PREMISE BEHIND KRUMK'S ELF ADVENTURES?

An elf, genie and witch are afflicted with a curse, allowing them to travel to any part of the past, so they can learn what really happened from a first person perspective.

## WHY'D I CREATE KRUMK'S ELF ADVENTURES?

To shine light on how easily misinformation can be spread from person to person. Sometimes even generation to generation.

Also, to create a story that will make people smile.

## IN MY OWN WORDS

It's easy to spread misinformation, whether intentional or not. Unless you've personally experienced something for yourself, there's no real way to know if the information you're being given is fact, fiction or a mixture of the two.

However, this doesn't mean you can't learn from knowledge you receive from others. It's what you do with it that makes the difference.

Instead, take the time to understand what caused the spread of this information, why it happened and how it will play a role in your daily life.

Understanding is one of the greatest tools given to the human race. When used properly, it can create peace. If used poorly, it can bring destruction.

Use the knowledge you gain wisely. Don't let it destroy what you can become, but instead, use it to help create a better future.
