

NORTH AMERICAN SHAGYA-ARABIAN SOCIETY (NASS)

2019 PERFORMANCE AWARDS

The Officers and Board of Directors of NASS would like to congratulate and commend the horses, owners and handlers for their dedication to the Shagya-Arabian and Part Bred Shagya-Arabian horses. We at NASS know how hard you work and your passion shines through in your breeding programs, training and achievements of you and your horses and the sports in which you compete.

Every year participation increases in our Awards Program. If you are competing in one of our categories, NASS invites you to enter your horse in the Performance Awards Program. Your horse must be registered and the owner must be a current member of NASS. The following categories are: Sport Horse In-Hand; Sport Horse Under Saddle/Sport Horse Show Hack; Dressage; Eventing; Jumper; Hunter Pleasure; Hunter; Driving (Combined & Pleasure); Competitive Trail Riding; Endurance Riding; Endurance Riding FEI; Meritorious Sire; and Meritorious Dam.

The Performance Awards Handbook together with the entry forms can be found on the North American Shagya-Arabian Society website.
