## Breeding Committee Report 4-25-22

### Inspection Report:

The Breeding Committee conducted an inspection in Southern California on March 14th. Adele Furby and Kathy Richkind were the inspection team judges, and Joan Clark participated as a learner judge. Our hosts were Don and Shelley Child. We inspected and approved one Purebred Shagya-Arabian stallion and two mares, as well as doing an evaluation on one gelding. We had beautiful weather and the inspection went smoothly. We also branded the stallion and the gelding. Adele taught Don how to brand.

### Other Pending Inspections:

We have not heard back from the Texas group as to when they would like the inspection which was postponed last fall due to the virus.

The BC has received 4 new requests:

Breeding inspections: One mare in Vermont and one mare in Rhode Island

Evaluations: One mare in CT and one Part-Shagya in CT

A full report , a NASS NEWS Inspection Issue, will be put off until the end of the year in hopes that there will be further inspections during 2022.

## ISG Report

We have no further news from ISG. To review, here is the information regarding the ISG Delegates Conference which was relayed at our last meeting:

Bruno has just recently sent in a schedule for the ISG Delegate Conference. It will occur on August 13th in Bern, Switzerland. On August 12th in the evening there will be a meeting of the Swiss Society which interested people can attend. On Saturday there will be a horse training demonstration by Freddie Knie Jr., followed by the Delegates' Conference at 11 am, a lunch at 1:30, a performance of the Circus Knie at 3 pm, and a dinner at 7 pm. On Sunday people can go on a tour of Bern.

We request that any NASS member who is planning to attend this meeting contact me, Adele Furby, ISG liaison, as two people can serve as NASS delegates to the meeting.

Dear Adele.

It have been a while since we have communicated. I am calling on you in the hour of need. In the old country long time ago used to carry around a bloody saber to indicate the need for support and unity. Now is this kind of time.

Here is the reason why I am contacting you.

Finally, after 7 years of delay, Bear Creek Stables is up for new management in the town of Los Gatos. It belongs to Midpeninsula Regional Open Space District.

I am a semi retired engineering type working in the Bay Area. Decided to apply for this ranch under long time management contract. I am hoping to get it. In order to reinforce the issues, I am asking if you or the current president would be so kind to write me a letter of support.

Since we have communicated, I have established a 501 c-3/ 509/a none profit public benefit organization called the First California Hussar Regiment. It is commemorating the establishment of the US Cavalry in 1776 for Goerge Washington by a Hungarian Husar officer, Commandant Michel Kovats Fabriczy. The Hussar rode predominantly Hungarian horses, the officers almost exclusively Shagyas, When I am successful to get the ranch, the Hungarian government promised to supply the Hussar Regiment with 10Shagyas from Babolna. Many of them can be pregnant mares.

With this kind of possibilities I am giving all of got for this opportunity.

Our Hussar Regiment usually perform musical rides at public events with 8 horses. At the best of the time (mean before Covid-19) we had 5 of them being Shagyas.

I still have 3 Shagya mounts which are bringing joy to my life every day.

The regiment is doing musical rides, performing group riding tricks and formations, all the narrated events are part of the educational process: Entertain, Educate and Enjoy is the motto.

The plan is to establish a much larger public exposure for this organization and the Shagya breed. We need to do the same thing as the Andalusian community does for the Shagyas. What beter way to do this than in a predominant area with Silicon Valley Money.

The Bear Creek Stables would be a great home for this equestrian activity with room for 72 horses.

This dream can be a reality before long with your support and endorsement.

Thank you for your consideration.

Pleas don't hesitate to call or write with any questions or concerns.

Thank you for your time.

Have a very good afternoon.

Frank

Ps: A few Hussar pictures for your enjoyment

February 2, 2014

To Whom it May Concern:

It has come to the attention of the North American Shagya-Arabian Society that the Midpeninsula Regional Open Space District is considering leases for the Bear Creek Stables facility. We were informed of this fact by Frank Bakonyi, on behalf of the "First California Hussar Regiment".

According to Frank his organization is a "non-profit equestrian re-enactment group established in 2001 dedicated to preserve the memory of the foundation of the US Cavalry in 1776 for George Washington by a Hungarian Cavalry officer, Michael Kovats De Fabriczy." He further states, " We ride Shagya horses, one of the breed Baroness Margit Bessenyey labored endlessly to preserve after WWII. Our organization educates school children, adults and the general public about the Hungarian-American Calvary heritage in parades and show events several times a year throughout the U.S.A, following our founding principles, to Entertain, Educate and Enjoy."

Frank has further informed us that his group is in need of a home, and that his group is applying for the Bear Creek Stables facility lease.

The North American Shagya-Arabian Society is a non-profit 501c5 organization founded in 1986. Its purposes are:

- **Promotion, preservation, and improvement of the Purebred Shagya-Arabian horse.**
- **Establishment of a Shagya-Arabian Registry for Purebred and Partbred Shagya Arabians.**
- **Regulation and approval of breeding stock.**
- **Dissemination of information about the breed to the public.**
- **Establishment of an Performance Awards system for performance achievement.**
- **Promotion of cooperation with Shagya-Arabian breeders around the world, and in particular with the Purebred Shagya Society International (ISG).**

The NASS is also aware that the foundation stallion for the Shagya Arabian Breed in America is Hungarian Bravo, a stallion bred by Margit Besseney in conduction with her efforts to preserve some of the outstanding performance horse genetics developed in Hungary. The NASS is grateful for the efforts that Margit Besseney made on behalf of this historic breed.

Therefore, to whatever extent the organization represented by Mr. Bakonyi can fulfill its mission of education about the history and importance of Hungarian Shagya Arabian breeding, the NASS would like to go on record as supporting these efforts.

Sincerely,

Jamie Buck

## 2021 Performance Awards

Last year's plaques for the Performance Awards didn't measure up to the standard of all the previous years' plaques. So I decided to have them remade. Last year four plaques cost approximately \$96 and was paid by NASS. This year we needed to have 8 plaques made. Four from 2020 and four for 2021. I am going to pay \$100 for the blunder I made and I'd like for NASS to pay \$293.30, the remaining balance of this invoice. I've attached a copy of the invoice and upon approval, I will forward \$100 to Bev by PayPal and have Bev pay The Sports World. Or I can pay The Sports World \$100 and Bev pay the balance. Whichever Bev prefers.

The price of the awards has not changed in several years, but maybe we should think about off setting the cost a bit by asking those who submit their horses for an award for a give year, to submit a fee of \$10.00 with their entry. Just a suggestion that maybe we can consider.

Awards go to:

2021

Meritorious Dam - \*Thassia

2020

Hi Joan,

Finally getting this info to you. Sorry, I had been looking into having the shirts embroidered which is also an option instead of screen printing, but the shirts would be about \$15 each. Also, they can do ball caps too (screenprinting), under \$10 each.

T-Shirts - if we buy at least 24, then it's \$8.78 for plain white with one color. Add \$1 for colored shirt, \$2 for v-neck womens or anything larger than XL

No set up fee

What color ink? I was thinking offering either white or black, depending of the color shirt ordered. Or maybe offer lt grey or dk grey? We can choose 2 colors to offer for no extra charge. People will need to send 2 shirt color options (see photo of colors available for this style shirt) as supply chain problems are causing some colors not to be in stock, but he said it changes day by day. (see photo)

Set deadline to order?

You can view the shirt options at [www.alphabroder.com](http://www.alphabroder.com). I sent the link of the one I like.

Stickers - prices have gone up, but still less than \$2.50 each. White vinyl hard to come by right now, but he said he should be getting some in the next few weeks. Any other colors? Maybe light blue or black? Or just wait for white? Do you or Adele have the file for the artwork for the NASS ShA logo (see photo)?
