Beverly Thompson, Treasurer: Sent in all reports via e-mail.

Discussed reimbursement to Elaine for advancing the money for our Go Daddy Account for the NASS website. Decided to hold off at the moment due to our small balance.

Sent in a list of what it would take to open a new bank account. Current balance is \$655.00. Sent out renewals, has gotten one so far.

Still has to pay Mr. Huse for annually being our legal consult.

Led into a discussion of whether or not to have a printed newsletter. Adele suggested selling ads to pay for it, which had been approved last year by the BOD. Elaine already has the notice on the website and Adele moved that we send out a mass e-mail with a deadline of Feb 28th for ads. If we don't get enough ads, we will reconsider our options for newsletters. Elaine has already generated several pages for a newsletter. Adele had begun an extensive article on Siglavy last summer but put it off due to lack of funds.

## **NASS BC Report and ISG Liaison Report**

### **BC Report**

So far the NASS BC has received requests for inspections in the Detroit area and in the Vermont area. The Detroit area would include a stallion inspection and for the Vermont inspection the request is for a time frame of late September or October 2026. I will get together with Joan in February to send out a NASS mass e-mail to update everyone.

Otherwise there is no other business to report.

### **ISG Report**

I have recently received an e-mail from Bruno with ISG information which includes the finally approved minutes from the June Delegate Conference in Czech Republic which includes a report from the 2024 Delegate Conference in Romania as well as a report on the 2025 show in Czech Republic.

Also, there is an announcement for the 2026 Delegate Conference and Shagya-Arabian Championship Show in Babolna on June 15, 16, and 17, 2026.

I am sending the report, which is rather lengthy, to Elaine for publication on the NASS website.
